

[LEGAL NOTICE NO. 91]

SEA PORTS MANAGEMENT ACT 2005
(NO. 8 OF 2005)

Notification on Declaration of Port of Nakama Creek—Savusavu, Vanua Levu.

IN exercise of powers conferred upon me under section 5(2) and (3) of the Sea Port Management Act (No.8 of 2005), after consultation with the Director of the Fiji Islands Maritime Safety Administration, the Native Lands Commission and the Chief Executive Officer of the relevant port management company, I hereby declare the areas defined in the following to be—

THE PORT OF NAKAMA CREEK—SAVUSAVU

The port boundary limits for Nakama Creek Port

1. The boundary of Nakama Creek Port located in Savusavu Bay originates at "Point 1", located 2 cables North West from the base of the government pier at Valeci. From "Point 1" it draws a line south on a true bearing of 180° and a distance of 1.9 cables to "Point 2". From "Point 2" it goes west along the high water mark to "Point 3". From "Point 3" it goes north on a true bearing of 000° and a distance of 5.8 cables to "Point 4". From "Point 4" it goes directly east on a true bearing of 090° and a distance of 3.5 cables to "Point 5". From "Point 5" it goes south on a true bearing of 180° and a distance of 2.5 cables to "Point 6". At point 6 it goes east on a true bearing of 090° and a distance of 1.1 cables to "Point 7". From "Point 7" it goes east along the high water mark on Nawi Island to "Point 8". From "Point 8" it goes east along the southern reef edge of the Nawi Island reef to join up with "Point 1".
