CHAPTER NO. 116.

Public Hospitals (Charges) Act.

Being an Act relating to charges for services provided at or from public hospitals and clinics.

1. Interpretation.

In this Act, unless the contrary intention appears—

“intermediate section” means the section of a public hospital declared under Section 2 to be an intermediate section;

“out-patient” means a patient who attends a public hospital for examination or treatment but does not occupy a bed for more than four hours;

“public clinic” means a clinic declared under Section 2 to be a public clinic;

“public hospital” means a hospital declared under Section 2 to be a public hospital;

“public section” means the section of a public hospital declared under Section 2 to be a public section.

2. Public hospitals and public clinics.

The Minister may, by notice in the National Gazette, declare—

(a) a hospital to be a public hospital for the purposes of this Act; and

(b) a clinic to be a public clinic for the purposes of this Act; and

(c) a section of a public hospital where professional and other services are rendered to be a public section of the hospital; and

(d) a section of a public hospital where professional and other services are rendered to patients to be an intermediate section of the hospital.

3. Fees.

The fees payable in respect of professional and other services rendered at or from a public hospital or public clinic are as prescribed.

4. Waiver of fees.

Where for any special reason he thinks it proper to do so, the Minister may waive, reduce or defer payment of any fees under this Act.

5. Charges for certain children.

(1) No charge shall be made for the treatment of a child under the age of six years as an out-patient at the public section of a public hospital.

(2) No charge shall be made for the treatment of a child under the age of 14 years as an out-patient at a clinic.

6. Free drugs and dressings.

The Minister may establish lists of drugs and dressings that may be provided by the State free of charge in such circumstances as are determined by the Minister.

7. Regulations.

(1) The Head of State, acting on advice, may make regulations, not inconsistent with this Act, prescribing all matters that by this Act are required or permitted to be prescribed, or that are necessary or convenient to be prescribed for carrying out or giving effect to this Act, and in particular for prescribing all matters relating to fees.

(2) More than one fee may be prescribed for any service, to be applicable in the prescribed circumstances including—

- (a) the time and place of the rendering of the service; and
- (b) the persons or classes of persons to whom the service is rendered; and
- (c) the financial circumstances of the persons to whom the service is rendered.

CHAPTER NO. 116.

*Public Hospitals (Charges) Regulation*¹.

MADE under the *Public Hospitals (Charges) Act*.

1. Interpretation.

In this Regulation, unless the contrary intention appears—

“after-care”, in relation to an operation, does not include—

- (a) an operation necessarily performed in respect of complications arising after the primary operation; or
- (b) such treatment of the original conditions as may be necessary, independent of and succeeding an operation and after-care of that operation;

“consultation” means an examination and questioning of the patient and the supply of pharmaceuticals and supplies needed for immediate treatment but not those to be supplied on prescription;

“intermediate”, in relation to—

- (a) radiological services, means the services specified in Part 2 of Schedule 3; and
- (b) operations, means the operations specified in Part 2 of Schedules 4 to 14;

“major”, in relation to—

- (a) radiological services, means the services specified in Part 3 of Schedule 3; and
- (b) operations, means the operations specified in Part 3 of Schedules 4 to 14;

“minor”, in relation to—

- (a) radiological services, means the services specified in Part 1 of Schedule 3; and
- (b) operations, means the operations specified in Part 1 of Schedules 4 to 14.

“Schedule 1 service” means a service specified in Column 1 of Schedule 1 provided at a public section or public clinic;

“Schedule 2 service” means a service specified in Column 1 of Schedule 2 provided at an intermediate section.

2. Fees for services.

Subject to this Regulation, a person who receives—

- (a) a Schedule 1 service—shall pay the fee specified opposite that service in Column 2 of Schedule 1; or

¹This Regulation replaced Public Hospitals (Charges) Regulations 1976, which replaced Public Hospitals (Charges) Regulations 1975.

(b) a Schedule 2 service—shall pay the fee specified opposite that service in Column 2 of Schedule 2.

3. Fees for mixed services.

(1) A person who has received, or is receiving, a Schedule 2 service and with or as part of that service, at the direction of the Secretary, receives at a public section or public clinic a service specified in Column 1 of Schedule 2 shall pay for that service the fee specified opposite that service in Column 2 of Schedule 2.

(2) A person who has received, or is receiving, a Schedule 1 service who, at his request, receives with or as part of that service a Schedule 2 service shall pay the specified fee for that Schedule 2 service.

4. Fees for alternate services.

A person who, at his request, receives instead of the services specified in Part 1 of Schedule 2 special or additional services shall pay for those services the cost of those services as assessed by the Secretary.

5. Fees for operations.

A person who receives a Schedule 2 service consisting of two or more operations shall pay for that service—

(a) the sum of—

- (i) the fee for the operation performed which carries the highest fee; and
- (ii) one half the fee for the operation performed which carries the second highest fee; and
- (iii) one quarter the fee for each of any remaining operations performed; or

(b) K80.00,

whichever is the less.

6. Free services.

No fee is payable if the service is—

- (a) a prophylactic injection, vaccination or test being part of a disease prevention or control programme; or
- (b) in respect of a venereal disease, tuberculosis or Hansen's disease; or
- (c) a blood test to ascertain whether filariae or malaria parasites are present in the blood; or
- (d) provided to a person in a public section or public clinic where the Secretary is satisfied that the person is—
 - (i) destitute; or
 - (ii) under the age of 14 years; or
 - (iii) a child still attending high school; or
 - (iv) over the age of 59 years.

7. Notice of fees for Schedule 2 services.

There shall be displayed in a conspicuous position in each intermediate section a notice stating that services provided in that section will be charged for in accordance with Schedule 2.

8. Recovery of fees.

An amount payable under this Regulation may be recovered by the State as a debt.
