Offshore Seas Proclamation 1978

MADE by the Head of State, acting with, and in accordance with, the advice of the National Executive Council under the *National Seas Act 1977*.

1. OUTER LIMIT OF OFFSHORE SEAS.

The line consecutively described in Schedules 1, 2 and 3 is the line for the purposes of Section 6 of the *National Seas Act 1977* and, subject to Sections 3(2) and 4 of this Proclamation, the offshore seas of the State shall be deemed to comprise all the waters outside the baselines and within the line so described.

2. LINE DESCRIBED IN SCHEDULES 1 AND 3.

(1) That part of the line described in Schedules 1 and 3 is drawn—

- (a) to give effect to agreements with other states where agreement on the line has been reached; and
- (b) without prejudice to the ultimate location of appropriate boundary lines, to adopt an interim boundary in areas where no agreement with other states has been reached; and
- (c) to adopt limits of 200 miles from the baselines where no boundary lines with other states may appropriately be drawn.

(2) Subject to Subsection (3), the description contained in Schedules 1 and 3 is based on the nautical charts BA3250, BA3832, BA3830, BA214, BA3419, BA208 and BA2759a in respect of the areas covered by those charts.

(3) the points described in the Schedules as Points 30 to 42 inclusive, and the descriptions of those parts of the line commencing at point 30 and ending at Point 38 and commencing at Point 39 and ending at Point 42 respectively, have been based on

the current World Aeronautical Charts of the area in which those points and parts of the line are located.

3. TEMPORARY LIMIT.

(1) In this Section “**Secondary Area**” means the area of sea bounded by the temporary line described in Schedule 2 and a more southerly line between Points 38 and 39 provisionally agreed upon between the State and Australia to be proclaimed after an opportunity for further consultation between the two governments on outstanding matters of substance concerning the nature and manner of exercise of jurisdiction in that area so as to safeguard the interests of all affected parties.

(2) For the purposes of this Proclamation, so much of the waters of the sea as are within three miles of the land of the islands specified in Schedule 5 that would not, but for this section, fall within the Secondary Area shall be deemed to be within the Secondary Area.

(3) Nothing in Subsection (2) shall be construed as indicating that the State abandons its seabed resources jurisdiction associated with the islands specified in Schedule 5, but that subsection shall be read as indicating only that the State intends to suspend temporarily the exercise of such jurisdiction over and in respect of so much of the area of those waters as lies north of the temporary line described in Schedule 2 pending the outcome of further negotiations between the State and Australia.

4. CERTAIN WATERS NOT INCLUDED IN OFFSHORE SEAS.

The offshore seas of the State shall not be deemed to include the waters described in Schedule 4.

5. CERTAIN WATERS NOT INCLUDED IN TERRITORIAL SEA.

For the purposes of Section 2 of the *National Seas Act 1977*, so much of the waters of the sea in the area described in Schedule 6 as are contained between the baselines and the 12 mile outer-limit line that are more than three miles seaward from the nearest point on the baselines do not form part of the territorial sea.
