FIRST SCHEDULE

(Section 2)

**ARTICLES OF AGREEMENT OF THE
INTERNATIONAL MONETARY FUND**

The Governments on whose behalf the present Agreement is signed agree as follows:

INTRODUCTORY ARTICLE

- (i) The International Monetary Fund is established and shall operate in accordance with the provisions of this Agreement as originally adopted, and as subsequently amended in order to institute a facility based on special drawing rights and to effect certain other changes.
- (ii) To enable the Fund to conduct its operations and transactions, the Fund shall maintain a General Account and a Special Drawing Account. Membership in the Fund shall give the right to participation in the Special Drawing Account.
- (iii) Operations and transactions authorised by this Agreement shall be conducted through the General Account except that operations and transactions involving special drawing rights shall be conducted through the Special Drawing Account.

ARTICLE I
PURPOSES

The purposes of the International Monetary Fund are:

- (i) To promote international monetary co-operation through a permanent institution which provides the machinery for consultation and collaboration on international monetary problems;
- (ii) To facilitate the expansion and balanced growth of international trade, and to contribute thereby to the promotion and maintenance of high levels of employment and real income and to the development of the productive resources of all members as primary objectives of economic policy;
- (iii) To promote exchange stability, to maintain orderly exchange arrangements among members, and to avoid competitive exchange depreciation;
- (iv) To assist in the establishment of a multilateral system of payments in respect of current transactions between members and in the elimination of foreign exchange restrictions which

6 *International Finance Agreements Act 1971*

- hamper the growth of world trade;
- (v) To give confidence to members by making the Fund's resource temporarily available to them under adequate safeguards, thus providing them with opportunity to correct maladjustments in their balance of payments without resorting to measures destructive of national or international prosperity;
- (vi) In accordance with the above, to shorten the duration and lessen the degree of disequilibrium in the international balances of payments of members.

The Fund shall be guided in all its policies and decisions by the purposes set forth in this Article.

ARTICLE II
MEMBERSHIP

Section 1:
Original Members

The original members of the Fund shall be those of the countries represented at the United National Monetary and Financial Conference whose Governments accept membership before the date specified in Article XX, section 2(e).

Section 2:
Other members

Membership shall be open to the Governments of other countries at such times and in accordance with such terms as may be prescribed by the Fund.

ARTICLE III
QUOTAS AND SUBSCRIPTIONS

Section 1
Quotas

Each member shall be assigned a quota. The quotas of the members represented at the United National Monetary and Financial Conference which accept membership before the date specified in Article XX, section 2(e), shall be those set forth in Schedule A. The quotas of other members shall be determined by the Fund.

Section 2
Adjustment of quotas

The Fund shall at intervals of not more than 5 years conduct a general review, and if it deems it appropriate propose an adjustment, of the quotas of the members. It may also, if it thinks fit, consider at any other time the adjustment of any particular quota at the request of the member concerned. An 85 percent majority of the total voting power shall be required for any change in quotas proposed as the result of a general review and a four-fifths majority of the total voting power shall be required for any other change in quotas. No quota shall be changed without the consent of the member concerned.

Section 3

Subscriptions; time, place, and form of payment:

- (a) The subscription of each member shall be equal to its quota and shall be paid in full to the Fund at the appropriate depository on or before the date when the member becomes eligible under Article XX, section 7(c) or (d), to buy currencies from the Fund;
- (b) Each member shall pay in gold, as a minimum, the smaller of:
 - (i) Twenty five percent of its quota; or
 - (ii) Ten percent of its net official holdings of gold and United States dollars as at the date when the Fund notifies members under Article XX, section 4 (a) that it will shortly be in a position to begin exchange transactions;

Each member shall furnish to the Fund the data necessary to determine its net official holdings of gold and United States dollars.

- (c) Each member shall pay the balance of its quota in its own currency;
- (d) If the net official holdings of gold and United States dollars of any member as at the date referred to in (b)(ii) above are not ascertainable because its territories have been occupied by the enemy, the Fund shall fix an appropriate alternative date for determining such holdings. If such date is later than that on which the country becomes eligible under Article XX, section 4(c) or (d), to buy currencies from the Fund, the Fund and the member shall agree on a provisional gold payment to be made under (b) above, and the balance of the member's subscription shall be paid in the member's currency, subject to appropriate adjustment between the member and the Fund when the net official holdings have been ascertained.

Section 4

Payments when quotas are changed:

8 ***International Finance Agreements Act 1971***

- (a) Each member which consents to an increase in its quota shall, within 30 days after the date of its consent, pay to the Fund 25 percent of the increase in gold and the balance in its own currency. If, however, on the date when the member consents to an increase, its monetary reserves are less than its new quota, the Fund may reduce the proportion of the increase to be paid in gold;
- (b) If a member consents to a reduction in its quota, the Fund shall, within 30 days after the date of the consent, pay to the member an amount equal to the reduction. The payments shall be made in the member's currency and in such amount of gold as may be necessary to prevent reducing the Fund's holdings of the currency below 75 percent of the new quota;
- (c) A majority of 85 percent of the total voting power shall be required for any decisions dealing with the payment, or made with the sole purpose of mitigating the effects of the payment, of increase in quotas proposed as the result of a general review of quotas.

Section 5
Substitution of securities for currency

The Fund shall accept from any member in place of any part of the member's currency which in the judgment of the Fund is not needed for its operations, notes or similar obligations issued by the member or the depository designated by the member under Article XIII, section 2, which shall be non-negotiable, non-interest bearing and payable at their par value on demand by crediting the account of the Fund in the designated depository. This section shall apply not only to currency subscribed by members but also to any currency otherwise due to, or acquired by, the Fund.

ARTICLE IV
PAR VALUES OF CURRENCIES

Section 1
Expression of par values:

- (a) The par value of the currency of each member shall be expressed in terms of gold as a common denominator or in terms of the United States dollar of the weight and fineness in effect on July 1, 1944;
- (b) All computations relating to currencies of members for the purpose of applying the provisions of this Agreement shall be on the basis of their par values.

Section 2
Gold purchases based on par values

The Fund shall prescribe a margin above and below par value for transactions in gold by members, and no member shall buy gold at a price above par value plus the prescribed margin, or sell gold at a price below par value minus the prescribed margin.

Section 3
Foreign exchange dealings based on parity

The maximum and the minimum rates for exchange transactions between the currencies of members taking place within their territories shall not differ from parity:

- (i) In the case of spot exchange transactions, by more than one percent;
- (ii) In the case of other exchange transactions, by a margin which exceeds the margin for spot exchange transactions by more than the Fund considers reasonable.

Section 4
Obligations regarding exchange stability:

- (a) Each member undertakes to collaborate with the Fund to promote exchange stability, to maintain orderly exchange arrangements with other members, and to avoid competitive exchange alteration;
- (b) Each member undertakes, through appropriate measures consistent with this Agreement, to permit within its territories exchange transactions between its currency and the currencies of other members only within the limits prescribed under section 3 of this Article. A member whose monetary authorities, for the settlement of international transactions, in fact freely buy and sell gold within the limits prescribed by the Fund under section 2 of this Article shall be deemed to be fulfilling this undertaking.

Section 5
Changes in par values:

- (a) A member shall not propose a change in the par value of its currency except to correct a fundamental disequilibrium;
- (b) A change in the par value of a member's currency may be made only on the proposal of the member and only after consultation with the Fund;
- (c) When a change is proposed, the Fund shall first take into account

10 *International Finance Agreements Act 1971*

the changes, if any, which have already taken place in the initial par value of the member's currency as determined under Article XX, section 4. If the proposed change, together with all previous changes, whether increases or decreases:

- (i) Does not exceed 10 percent of the initial par value, the Fund shall raise no objection;
 - (ii) Does not exceed a further 10 percent of the initial par value, the Fund may either concur or object, but shall declare its attitude within 72 hours if the member so requests;
 - (iii) Is not within (i) or (ii) above, the Fund may either concur or object, but shall be entitled to a longer period in which to declare its attitude;
- (d) Uniform changes in par values made under section 7 of this Article shall not be taken into account in determining whether a proposed change falls within (i), (ii), or (iii) of (c) above;
- (e) A member may change the par value of its currency without the concurrence of the Fund if the change does not affect the international transactions of members of the Fund;
- (f) The Fund shall concur in a proposed change which is within the terms of (c)(ii) or (c)(iii) above if it is satisfied that the change is necessary to correct a fundamental disequilibrium. In particular, provided it is so satisfied it shall not object to a proposed change because of the domestic, social or political policies of the member proposing the change.

Section 6

Effect of unauthorised changes

If a member changes the par value of its currency despite the objection of the Fund, in cases where the Fund is entitled to object, the member shall be ineligible to use the resources of the Fund unless the Fund otherwise determines; and if, after the expiration of a reasonable period, the difference between the member and the Fund continues, the matter shall be subject to the provisions of Article XV, section 2(b).

Section 7

Uniform changes in par values

Notwithstanding the provisions of section 5(b) of this Article, the Fund by an 85 percent majority of the total voting power may make uniform proportionate changes in the par values of the currencies of all members. The par value of a member's currency shall, however, not be changed under this provision if, within 72 hours of the Fund's action, the member informs the Fund that it does not wish the par value or its value of its currency to be changed by such action.

Section 8

Maintenance of gold value of the Fund's assets:

- (a) The gold value of the Fund's assets shall be maintained notwithstanding changes in the par or foreign exchange value of the currency of any member;
- (b) Whenever (i) the par value of a member's currency is reduced, or (ii) the foreign exchange value of a member's currency has, in the opinion of the Fund, depreciated to a significant extent within that member's territories, the member shall pay to the Fund within a reasonable time an amount of its own currency equal to the reduction in the gold value of its currency held by the Fund;
- (c) Whenever the par value of a member's currency is increased, the Fund shall return to such member within a reasonable time an amount in its currency equal to the increase in the gold value of its currency held by the Fund;
- (d) The provisions of this section shall apply to a uniform proportionate change in the par values of the currencies of all members, unless at the time when such a change is made the Fund decides otherwise by an 85 percent majority of the total voting power.

Section 9

Separate currencies within a member's territories

A member proposing a change in the par value of its currency shall be deemed, unless it declares otherwise, to be proposing a corresponding change in the par value of the separate currencies of all territories in respect of which it has accepted this Agreement under Article XX, section 2(g). It shall, however, be open to a member to declare that its proposal relates either to the metropolitan currency alone, or only to one or more specified separate currencies, or to the metropolitan currency and one or more specified separate currencies.

ARTICLE V

TRANSACTIONS WITH THE FUND

Section 1

Agencies dealing with the Fund

Each member shall deal with the Fund only through its Treasury, central bank, stabilization fund or other similar fiscal agency and the Fund shall deal only with or through the same agencies.

Section 2**Limitation on the Fund's operations**

Except as otherwise provided in this Agreement, operations on the account of the Fund shall be limited to transactions for the purpose of supplying a member, on the initiative of such member, with the currency of another member in exchange for gold or for the currency of the member desiring to make the purchase.

Section 3**Conditions governing use of the Fund's resources:**

- (a) A member shall be entitled to buy the currency of another member from the Fund in exchange for its own currency subject to the following conditions:
 - (i) The member desiring to purchase the currency represents that it is presently needed for making in that currency payments which are consistent with the provisions of this Agreement;
 - (ii) The Fund has not given notice under Article VII, section 3, that its holdings of the currency desired have become scarce;
 - (iii) The proposed purchase would be a gold tranche purchase, or would not cause the Fund's holdings of the purchasing member's currency to increase by more than 25 percent of its quota during the period of 12 months ending on the date of the purchase or to exceed 200 percent of its quota;
 - (iv) The Fund has not previously declared under section 5 of this Article, Article IV, section 6, Article VI, section 1, or Article XV, section 2(a), that the member desiring to purchase is ineligible to use the resources of the Fund;
- (b) A member shall not be entitled without the permission of the Fund to use the Fund's resources to acquire currency to hold against forward exchange transactions;
- (c) A member's use of the resources of the Fund shall be in accordance with the purposes of the Fund. The Fund shall adopt policies on the use of its resources that will assist members to solve their balance of payments problems in a manner consistent with the purposes of the Fund and that will establish adequate safeguards for the temporary use of its resources;
- (d) A representation by a member under (a) above shall be examined by the Fund to determine whether the proposed purchase would be consistent with the provisions of this Agreement and with the policies adopted under them, with the exception that proposed

gold tranche purchase shall not be subject to challenge.

Section 4
Waive of conditions

The Fund may in its discretion, and on terms which safeguard its interests, waive any of the conditions prescribed in section 3(a) of this Article, especially in the case of members with a record of avoiding large or continuous use of the Fund's resources. In making a waiver it shall take into consideration periodic or exceptional requirements of the member requesting the waiver. The Fund shall also take into consideration a member's willingness to pledge as collateral security gold, silver, securities, or other acceptable asset having a value sufficient in the opinion of the Fund to protect its interests and may require as a condition of waiver the pledge of such collateral security.

Section 5
Ineligibility to use the Fund's resources

Whenever the Fund is of the opinion that any member is using the resources of the Fund in manner contrary to the purposes of the Fund, it shall present to the member a report setting forth the views of the Fund and prescribing a suitable time for reply. After presenting such a report to a member, the Fund may limit the use of its resources by the members. If no reply to the report is received from the member within the prescribed time, or if the reply received is unsatisfactory, the Fund may continue to limit the member's use of the Fund's resources or may, after giving reasonable notice to the member, declare it ineligible to use the resources of the Fund.

Section 6
Purchases of currencies from the Fund for Gold:

- (a) Any member desiring to obtain, directly or indirectly, the currency of another member for gold shall, provided that it can do so with equal advantage, acquire it by the sale of gold to the Fund;
- (b) Nothing in this section shall be deemed to preclude any member from selling in any market gold newly produced from mines located within its territories.

Section 7
Repurchase by a member of its currency held by the Fund:

- (a) A member may repurchase from the Fund and the Fund shall sell

14 *International Finance Agreements Act 1971*

for gold any part of the Fund's holdings of its currency in excess of its quota;

- (b) At the end of each financial year of the Fund, a member shall repurchase from the Fund with each type of monetary reserve, as determined in accordance with Schedule B, part of the Fund's holdings of its currency under the following conditions:
 - (i) Each member shall use in repurchases of its own currency from the Fund an amount of its monetary reserves equal in value to the following changes that have occurred during the year; one-half of any increase in the Fund's holdings of the member's currency, plus one-half of any increase, or minus one-half of any decrease, in the member's monetary reserves, or, if the Fund's holdings of the member's currency have decreased, one-half of any increase in the member's monetary reserves minus one-half of the decrease in the Fund's holdings of the members currency. This rule shall not apply when a member's monetary reserves have decreased during the year by more than the Fund's holdings of its currency have increased;
 - (ii) If after the repurchase described in (i) above (if required) has been made, a member's holdings of another member's currency (or of gold acquired from that member) are found to have increased by reason of transactions in terms of that currency with other members or persons in their territories, the member whose holdings of such currency (or gold) have thus increased shall use the increase to repurchase its own currency from the Fund.
- (c) None of the adjustments described in (b) above shall be carried to a point at which:
 - (i) The member's monetary reserves are below 150 percent of its quota; or
 - (ii) The Fund's holdings of its currency are below 75 percent of its quota; or
 - (iii) The Fund's holdings of any currency required to be used are above 75 percent of the quota of the member concerned; or
 - (iv) The amount repurchased exceeds 25 percent of the quota of the member concerned;
- (d) The Fund by an 85 percent majority of the total voting power may revise the percentages in (c)(i) and (iv) above and revise and supplement the rules in paragraph 1(c),(d), and (e) and paragraph 2(b) of Schedule B.

**Section 8
Charges**

- (a) Any member buying the currency of another member from the Fund in exchange for its own currency shall pay, in addition to the parity price, a service charge uniform for all members of not less than one-half percent and not more than one percent, as determined by the Fund, provided that the Fund in its discretion may levy a service charge of less than one-half percent on gold tranche purchases;
- (b) The Fund may levy a reasonable handling charge on any member buying gold from the Fund or selling gold to the Fund;
- (c) The Fund shall levy charges uniform for all members which shall be payable by any member on the average daily balances of its currency held by the Fund in excess of its quota. These charges shall be at the following rates:
 - (i) On amounts not more than 25 percent in excess of the quota: no charge for the first 3 months; one-half percent per annum for the next 9 months; and thereafter an increase in the charge of one-half percent for each subsequent year;
 - (ii) On amounts more than 25 percent and not more than 50 percent in excess of the quota; an addition one-half percent for the first year; and an additional one-half percent for each subsequent year;
 - (iii) On each additional bracket of 25 percent in excess of the quota: an additional one-half percent for the first year; and an additional one-half percent for each subsequent year;
- (d) Whenever the Fund's holdings of a member's currency are such that the charge applicable to any bracket for any period has reached the rate of 4 percent per annum, the Fund and the member shall consider means by which the Fund's holdings of the currency can be reduced. Thereafter, the charges shall rise in accordance with the provisions of (c) above until they reach 5 percent and failing agreement, the Fund may then impose such charges as it deems appropriate;
- (e) The rates referred to in (c) and (d) above may be changed by a three-fourths majority of the total voting power;
- (f) All charges shall be paid in gold. If, however, the member's monetary reserves are less than one-half of its quota, it shall pay in gold only that proportion of the charges due which such reserves bear to one-half of its quota, and shall pay the balance in its own currency.

International Finance Agreements Act 1971**Section 9****Remuneration:**

- (a) The Fund shall pay remuneration, at a rate uniform for all members, on the amount by which 75 percent of a member's quota exceeded the average of the Fund's holdings of the member's currency, provided that no account shall be taken of holdings in excess of 75 percent of quota. The rate shall be one and one-half percent per annum, but the Fund in its discretion may increase or reduce this rate, provided that a three-fourths majority of the total voting power shall be required for any increase above 2 percent per annum or reduction below one percent per annum;
- (b) Remuneration shall be paid in gold or a member's own currency as determined by the Fund.

ARTICLE VI**CAPITAL TRANSFERS****Section 1****Use of the Fund's resources for capital transfers:**

- (a) A member may not use the Fund's resources to meet a large or sustained outflow of capital except as provided in section 2 of this Article, and the Fund may request a member to exercise controls to prevent such use of the resources of the Fund. If, after receiving such a request, a member fails to exercise appropriate controls, the Fund may declare the member ineligible to use the resources of the Fund;
- (b) Nothing in this section shall be deemed:
 - (i) To prevent the use of the resources of the Fund for capital transactions of reasonable amount required for the expansion of exports or in the ordinary course of trade, banking or other business; or
 - (ii) To affect capital movements which are met out of a member's own resources of gold and foreign exchange, but members undertake that such capital movements will be in accordance with the purpose of the Fund.

Section 2**Special provisions for capital transfers**

A member shall be entitled to make gold tranche purchases to meet capital transfers.

Section 3

Controls of capital transfers

Members may exercise such controls as are necessary to regulate international capital movements, but no member may exercise these controls in a manner which will restrict payments for current transactions or which will unduly delay transfers of funds in settlement of commitments, except as provided in Article VII, section 3(b), and in Article XIV, section 2.

ARTICLE VII
SCARCE CURRENCIES

Section 1
General scarcity of currency

If the Fund finds that a general scarcity of a particular currency is developing, the Fund may so inform members and may issue a report setting forth the causes of the scarcity and containing recommendations designed to bring it to an end. A representative of the member whose currency is involved shall participate in the preparation of the report.

Section 2
Measures to replenish the Fund's holdings of scarce currencies

The Fund may, if it deems such action appropriate to replenish its holdings of any member's currency, take either or both of the following steps:

- (i) Propose to the member that, on terms and conditions agreed between the Fund and the member, the latter lend its currency to the fund or that, with the approval of the member, the Fund borrow such currency from some other source either within or outside the territories of the member, but no member shall be under any obligation to make such loans to the Fund or to approve the borrowing of its currency by the Fund from any other source;
- (ii) Require the member to sell its currency to the Fund for gold.

Section 3
Scarcity of the Fund's holdings:

- (a) If it becomes evident to the Fund that the demand for a member's currency seriously threatens the Fund's ability to supply that currency, the Fund, whether or not it has issued a report under section 1 of this Article, shall formally declare such currency scarce and shall thenceforth apportion its existing and accruing

18

International Finance Agreements Act 1971

supply of the scarce currency with due regard to the relative needs of members, the general international economic situation and any other pertinent considerations. The Fund shall also issue a report concerning its action;

- (b) A formal declaration under (a) above shall operate as an authorisation to any member, after consultation with the Fund, temporarily to impose limitations on the freedom of exchange operations in the scarce currency. Subject to the provisions of Article IV, sections 3 and 4, the member shall have complete jurisdiction in determining the nature of such limitations, but they shall be no more restrictive than is necessary to limit the demand for the scarce currency to the supply held by, or accruing to, the member in question; and they shall be relaxed and removed as rapidly as conditions permit;
- (c) The authorisation under (b) above shall expire whenever the Fund formally declares the currency in question to be no longer scarce.

Section 4

Administration of restrictions

Any member imposing restrictions in respect of the currency of any other member pursuant to the provisions of section 3(b) of this Article shall give sympathetic consideration to any representations by the other member regarding the administration of such restrictions.

Section 5

Effect of other international agreements on restrictions

Members agree not to invoke the obligations of any engagements entered into with other members prior to this Agreement in such a manner as will prevent the operation of the provisions of this Article.

ARTICLE VIII

GENERAL OBLIGATIONS OF MEMBERS

Section 1

Introduction

In addition to the obligations assumed under other Articles of this Agreement, each member undertakes the obligations set out in this Article.

Section 2

Avoidance of restrictions on current payments:

- (a) Subject to the provisions of Article VII, section 3(b), and Article XIV, section 2, no member shall, without the approval of the Fund, impose restrictions on the making of payments and transfers for current international transactions;
- (b) Exchange contracts which involve the currency of any member and which are contrary to the exchange control regulations of that member maintained or imposed consistently with this Agreement shall be unenforceable in the territories of any member. In addition, members may, by mutual accord cooperate in measures for the purpose of making the exchange control regulations of either member more effective, provided that such measures and regulations are consistent with this Agreement.

Section 3

Avoidance of discriminatory currency practices

No member shall engage in, or permit any of its fiscal agencies referred to in Article V, section 1, to engage in, any discriminatory currency arrangements or multiple currency practices except as authorised under this Agreement or approved by the Fund. If such arrangements and practices are engaged in at the date when this Agreement enters into force the member concerned shall consult with the Fund as to their progressive removal unless they are maintained or imposed under Article XIV, section 2, in which case the provisions of section 4 of that Article shall apply.

Section 4

Convertibility of foreign held balances:

- (a) Each member shall buy balances of its currency held by another member if the latter, in requesting the purchase, represents:
 - (i) That the balances to be bought have been recently acquired as a result of current transactions; or

The Fund may, by a two-thirds majority of the total voting power, decide to publish a report made to a member regarding its monetary or economic conditions and developments which directly tend to produce a serious disequilibrium in the international balance of payments of members. If the member is not entitled to appoint an executive director, it shall be entitled to representation in accordance with section 3(j) of this Article. The Fund shall not publish a report involving changes in the fundamental structure of the economic organisation of members.

However all transfers of gold by the Fund shall be made with due regard to the costs of transport and anticipated requirements of the Fund. In an emergency the Executive Directors may transfer all or any part of the Fund's gold holdings to any place where they can be adequately

Section 3

Section 1
Introduction

The Fund is not intended to provide facilities for relief or reconstruction or to deal with international indebtedness arising out of the war.

Section 2
Exchange restrictions

In the post-war transitional period members may, notwithstanding the provisions of any other Articles of this Agreement, maintain and adapt to changing circumstances (and, in the case of members whose territories have been occupied by the enemy, introduce where necessary) restrictions on payments and transfers for current international transactions. Members shall, however, have continuous regard in their foreign exchange policies to the purposes of the Fund; and, as soon as conditions permit, they shall take all possible measures to develop such commercial and financial arrangements with other members as will facilitate international payments and the maintenance of exchange stability. In particular, members shall withdraw restrictions maintained or imposed under this section as soon as they are satisfied that they will be able, in the absence of such restrictions, to settle their balance of payments in a manner which will not unduly encumber their access to the resources of the Fund.

Section 3
Notification to the Fund

Each member shall notify the Fund before it becomes eligible under Article XX, section 4(c) or (d), to buy currency from the Fund, whether it intends to avail itself of the transitional arrangements in section 2 of this Article, or whether it is prepared to accept the obligations of Article VIII, sections 2, 3, and 4. A member availing itself of the transitional arrangements shall notify the Fund as soon thereafter as it is prepared to

32 *International Finance Agreements Act 1971*
accept the above-mentioned obligations.

Section 4
Action of the Fund relating to restrictions

Not later than 3 years after the date on which the Fund begins operations and in each year thereafter, the Fund shall report on the restrictions still in force under section 2 of this Article. Five years after the date on which the Fund begins operations, and in each year thereafter, any member still retaining any restrictions inconsistent with Article VIII, sections 2, 3, or 4, shall consult the Fund as to their further retention. The Fund may, if it deems such action necessary in exceptional circumstances, make representations to any member that conditions are favourable for the withdrawal of any particular restriction, or for the general abandonment of restrictions, inconsistent with the provision of any other Articles of this Agreement. The member shall be given a suitable time to reply to such representations. If the Fund finds that the member persists in maintaining restrictions which are inconsistent with the purposes of the Fund, the member shall be subject to Article XV, section 2(a).

Section 5
Nature of transitional period

In its relations with members, the Fund shall recognise that the post-war transitional period will be one of change and adjustment and in making decisions on requests occasioned thereby which are presented by any member it shall give the member the benefit of any reasonable doubt.

Right of members to withdraw

Any member may withdraw from the Fund at any time by transmitting a notice in writing to the Fund at its principal office. Withdrawal shall become effective on the date such notice is received.

Section 2
Compulsory withdrawal:

- (a) If a member fails to fulfil any of its obligations under this Agreement, the Fund may declare the member ineligible to use the resources of the Fund. Nothing in this section shall be deemed to limit the provisions of Article IV, section 6, Article V,

- section 5, or Article VI, section 1;
- (b) If, after the expiration of a reasonable period the member persists in its failure to fulfil any of its obligations under this Agreement, or a difference between a member and the Fund under Article IV, section 6, continues, that member may be required to withdraw from membership in the Fund by a decision of the Board of Governors carried by a majority of the governors representing a majority of the total voting power;
 - (c) Regulations shall be adopted to ensure that before action is taken against any member under (a) or (b) above, the member shall be informed in reasonable time of the complaint against it and given an adequate opportunity for stating its case, both orally and in writing.

Section 3

Settlement of accounts with members withdrawing

When a member withdraws from the Fund, normal transactions of the fund in its currency shall cease and settlement of all accounts between it and the Fund shall be made with reasonable despatch by agreement between it and the Fund. If agreement is not reached promptly, the provisions of Schedule D shall apply to the settlement of account.

ARTICLE XVI

EMERGENCY PROVISIONS

Section 1

Temporary suspension

- (a) In the event of an emergency or the development of unforeseen circumstances threatening the operations of the Fund, the Executive Directors by unanimous vote may suspend for a period of not more than 120 days the operation of any of the following provisions:

- (b) Simultaneously with any decision to suspend the operation of any of the foregoing provisions, the Executive Directors shall call a meeting of the Board of Governors for the earliest practicable date;
- (c) The Executive Directors may not extend any suspension beyond 120 days. Such suspension may be extended, however, for an additional period of not more than 240 days, if the Board of

- (d) The Executive Directors may, by a majority of the total voting power, terminate such suspension at any time.

Section 2
Liquidation of Fund:

- (a) The Fund may not be liquidated except by decision of the Board of Governors. In an emergency, if the Executive Directors decide that liquidation of the Fund may be necessary, they may temporarily suspend all transactions, pending decision by the Board;
- (b) If the Board of Governors decides to liquidate the Fund, the Fund shall forthwith cease to engage in any activities except those incidental to the orderly collection and liquidation of its assets and the settlement of its liabilities, and all obligations of members under this Agreement shall cease except those set out in Article XVIII, paragraph (c), in Schedule D, paragraph 7, and in Schedule E;
- (c) Liquidation shall be administered in accordance with the provisions of Schedule E.

ARTICLE XVII
AMENDMENTS

- (a) Any proposal to introduce modifications in this Agreement, whether emanating from a member, a governor or the Executive Directors, shall be communicated to the chairman of the Board of Governors who shall bring the proposal before the Board. If the proposed amendment is approved by the Board the Fund shall, by circular letter or telegram, ask all members whether they accept the proposed amendment. When three-fifths of the members having four-fifths of the total voting power, have accepted the proposed amendment, the Fund shall certify the fact by a formal communication addressed to all members;
- (b) Notwithstanding (a) above, acceptance by all members is required in the case of any amendment modifying:
- (i) The right to withdraw from the Fund (Article XV, section 1);
 - (ii) The provision that no change in a member's quota shall be made without its consent (Article III, section 2);
 - (iii) The provision that no change may be made in the par value of a member's currency except on the proposal of

- that member (Article IV, section 5(b)).
- (c) Amendments shall enter into force for all members 3 months after the date of the formal communication unless a shorter period is specified in the circular letter or telegram.

ARTICLE XVIII
INTERPRETATION

- (a) Any question of interpretation of the provisions of this Agreement arising between any member and the Fund or between any members of the Fund shall be submitted to the Executive Directors for their decision. If the question particularly affects any member not entitled to appoint an executive director it shall be entitled to representation in accordance with Article XII, section 3(j);
- (b) In any case where the Executive Directors have given a decision under (a) above, any member may require, within 3 months from the date of the decision, that the question be referred to the Board of Governors, whose decision shall be final. Any question referred to the Board of Governors shall be considered by a Committee on Interpretation of the Board of Governors. Each Committee member shall have one vote. The Board of Governors shall establish the membership, procedures, and voting majorities of the Committee. A decision of the Committee shall be the decision of the Board of Governors unless the Board by an 85 percent majority of the total voting power decides otherwise. Pending the result of the reference to the Board the Fund may, so far as it deems necessary, act on the basis of the decision of the Executive Directors;
- (c) Whenever a disagreement arises between the Fund and a member which has withdrawn, or between the Fund and any member during liquidation of the Fund, such disagreement shall be submitted to arbitration by a tribunal of 3 arbitrators, one appointed by the Fund, another by the member or withdrawing member and an umpire who, unless the parties otherwise agree, shall be appointed by the President of the Permanent Court of International Justice or such other authority as may have been prescribed by regulation adopted by the Fund. The umpire shall have full power to settle all questions of procedure in any case where the parties are in disagreement with respect thereto.

ARTICLE XIX
EXPLANATION OF TERMS

In interpreting the provisions of this Agreement the Fund and its members shall be guided by the following:

- (a) A member's monetary reserves means its official holdings of gold, of convertible currencies of other members, and of the currencies of such non-members as the Fund may specify;
- (b) The official holdings of a member means central holdings (that is, the holdings of its Treasury, central bank, stabilization fund, or similar fiscal agency);
- (c) The holdings of other official institutions or other banks within its territories may, in any particular case, be deemed by the Fund, after consultation with the member, to be official holdings to the extent that they are substantially in excess of working balances; provided that for the purpose of determining whether, in a particular case holdings are in excess of working balances, there shall be deducted from such holdings amounts of currency due to official institutions and banks in the territories of members or non-members specified under (d) below;
- (d) A member's holdings of convertible currencies means its holdings of the currencies of other members which are not availing themselves of the transitional arrangements under Article XIV, section 2, together with its holdings of the currencies of such non-members as the Fund may from time to time specify. The term "currency" for this purpose includes without limitation coins, paper money, bank balances, bank acceptances, and government obligations issued with a maturity not exceeding 12 months;
- (e) The sums deemed to be official holdings of other official institutions and other banks under (c) above shall be included in the member's monetary reserves;
- (f) The Fund's holdings of the currency of a member shall include any securities accepted by the Fund under Article III, section 5;
- (g) The fund, after consultation with a member which is availing itself of the transitional arrangements under Article XIV, section 2, may deem holdings of the currency of that member which carry specified rights of conversion into another currency or into gold to be holdings of convertible currency for the purpose of the calculation of monetary reserves;
- (h) For the purpose of calculating gold subscriptions under Article III, section 3, a member's net official holdings of gold and United States dollars shall consist of its official holdings of gold and United States currency after deducting central holdings of its currency by other countries and holdings of its currency by other official institutions and other banks if these holdings carry specified rights of conversion into gold or United States currency;

- (i) Payments for current transactions means payment which are not for the purpose of transferring capital, and includes without limitation:
- (1) All payments due in connection with foreign trade, other current business, including services, and normal short-term banking and credit facilities.
 - (2) Payments due as interest on loans and as net income from other investments.
 - (3) Payments of moderate amount for amortization of loans or for depreciation of direct investments.
 - (4) Moderate remittances for family living expenses.
- The Fund may, after consultation with the members concerned, determine whether certain specific transactions are to be considered current transactions or capital transactions.
- (j) Gold tranche purchase means a purchase by a member of the currency of another member in exchange for its own currency which does not cause the Fund's holdings of the member's currency to exceed 100 percent of its quota, provided that for the purposes of this definition the Fund may exclude purchases and holdings under policies on the use of its resources for compensatory financing of export fluctuations.

 - (d) At the time this Agreement is signed on its behalf, each government shall transmit to the Government of the United States of America one one-hundredth of one percent of its total subscription in gold or United States dollars for the purpose of meeting administrative expenses of the Fund. The Government of the United States of America shall hold such funds in a special deposit account and shall transmit them to the Board of Governors of the Fund when the initial meeting has been called under section 3 of this Article. If this Agreement has not come into force by December 31, 1945, the Government of the United States of America shall return such funds to the Governments that transmitted them;
 - (e) This Agreement shall remain open for signature at Washington on behalf of the governments of the countries whose names are set forth in Schedule A until December 31, 1945;
 - (f) After December 31, 1945, this Agreement shall be open for signature on behalf of the government of any country whose membership has been approved in accordance with Article II, section 2;
 - (g) By their signature of this Agreement, all governments accept it both on their own behalf and in respect of all their colonies, overseas territories, all territories under their protection, suzerainty, or authority and all territories in respect of which they exercise a mandate;
 - (h) In the case of governments whose metropolitan territories have been under enemy occupation, the deposit of the instrument referred to in (a) above may be delayed until 180 days after the date on which these territories have been liberated. If, however, it is not deposited by any such government before the expiration of this period the signature affixed on behalf of that government shall become void and the portion of its subscription paid under (d) above shall be returned to it;
 - (i) Paragraphs (d) and (h) shall come into force with regard to each signatory government as from the date of its signature.

Section 3

Seven provisional executive directors shall be elected in accordance with the provisions of Schedule C and shall remain in office until the date of the first regular election of executive directors which shall be held as soon as practicable after January 1, 1946;
- (c) The Board of Governors may delegate to the provisional executive directors any powers except those which may not be delegated to the Executive Directors.

Section 4

Initial determination of par values:

- (a) When the Fund is of the opinion that it will shortly be in a position to begin exchange transactions, it shall so notify the members and shall request each member to communicate within 30 days the par value of its currency based on the rates of exchange prevailing on the sixtieth day before the entry into force of this Agreement. No member whose metropolitan territory has been occupied by the enemy shall be required to make such a communication while that territory is a theatre of major hostilities or for such period thereafter as the Fund may determine. When such a member communicates the par value of its currency the provisions of (d) below shall apply;
- (b) The par value communicated by a member whose metropolitan territory has not been occupied by the enemy shall be the par value of that member's currency for the purpose of this Agreement unless, within 90 days after the request referred to in (a) above has been received, (i) the member notifies the Fund that it regards the par value as unsatisfactory; or (ii) the Fund notifies the member that in its opinion the par value cannot be maintained without causing recourse to the Fund on the part of that member or others on a scale prejudicial to the Fund and to members. When notification is given under (i) or (ii) above, the Fund and

International Finance Agreements Act 1971

- the member shall, within a period determined by the Fund in the light of all relevant circumstances, agree upon a suitable par value for that currency. If the Fund and the member do not agree within the period so determined, the member shall be deemed to have withdrawn from the Fund on the date when the period expires;
- (c) When the par value of a member's currency has been established under (b) above, either by the expiration of 90 days without notification, or by agreement after notification, the member shall be eligible to buy from the Fund the currencies of other members to the full extent permitted in this Agreement, provided that the Fund has begun exchange transactions;
 - (d) In the case of a member whose metropolitan territory has been occupied by the enemy, the provisions of (b) above shall apply, subject to the following modifications:
 - (i) The period of 90 days shall be extended so as to end on a date to be fixed by agreement between the Fund and the member;
 - (ii) Within the extended period the member may, if the Fund has begun exchange transactions, buy from the Fund with its currency the currencies of other members, but only under such conditions and in such amounts as may be prescribed by the Fund;
 - (iii) At any time before the date fixed under (i) above, changes may be made by agreement with the Fund in the par value communicated under (a) above.
 - (e) If a member whose metropolitan territory has been occupied by the enemy adopts a new monetary unit before the date to be fixed under (d)(i) above, the par value fixed by that member for the new unit shall be communicated to the Fund and the provisions of (d) above shall apply;
 - (f) Changes in par values agreed with the Fund under this section shall not be taken into account in determining whether a proposed change falls within (i), (ii) or (iii) of Article IV, section 5(c);
 - (g) A member communicating to the Fund a par value for the currency of its metropolitan territory shall simultaneously communicate a value, in terms of that currency for each separate currency, where such exists, in the territories in respect of which it has accepted this Agreement under section 2(g) of this Article, but no member shall be required to make a communication for the separate currency of a territory which has been occupied by the enemy while that territory is a theatre of major hostilities or for such period thereafter as the Fund may determine. On the basis of the par value so communicated, the Fund shall compute

the par value of each separate currency. A communication or notification to the Fund under (a), (b) or (d) above regarding the par value of a currency, shall also be deemed, unless the contrary is stated, to be a communication or notification regarding the par value of all the separate currencies referred to above. Any member may, however, make a communication or notification relating to the metropolitan or any of the separate currencies alone. If the member does so, the provisions of the preceding paragraphs (including (d) above, if a territory where a separate currency exists has been occupied by the enemy) shall apply to each of these currencies separately;

- (h) The Fund shall begin exchange transactions at such date as it may determine after members having 65 percent of the total of the quotas set forth in Schedule A have become eligible, in accordance with the preceding paragraphs of this section, to purchase the currencies of other members, but in no event until after major hostilities in Europe have ceased;
- (i) The Fund may postpone exchange transactions with any member if its circumstances are such that, in the opinion of the "Fund, they would lead to use of the resources of the Fund in a manner contrary to the purposes of this Agreement or prejudicial to the Fund or the members;
- (j) The par values of the currencies of governments which indicate their desire to become members after December 31, 1945 shall be determined in accordance with the provisions of Article II, section 2.

ARTICLE XXIII**PARTICIPANTS AND OTHER HOLDER OF
SPECIAL DRAWING RIGHTS****Section 1****Participants**

Each member of the Fund that deposits with the Fund an instrument setting forth that it undertakes all the obligations of a participant in the Special Drawing Account in accordance with its law and that it has taken all steps necessary to enable it to carry out all of these obligations shall become a participant in the Special Drawing Account as of the date the instrument is deposited, except that no member shall become a participant before Articles XXI through XXXII and Schedules F through I have entered into force and instruments have been deposited under this section by members that have at least 75 percent of the total of quotas.

Section 2

ARTICLE XXIV

**ALLOCATION AND CANCELLATION OF
SPECIAL DRAWING RIGHTS**

Section 1

**Principles and considerations governing
allocation and cancellation:**

- (a) In all its decisions with respect to the allocation and cancellation of special drawing rights the Fund shall seek to meet the long-

44 *International Finance Agreements Act 1971*

term global need, as and when it arises, to supplement existing reserve assets in such manner as will promote the attainment of its purpose and will avoid economic stagnation and deflation as well as excess demand and inflation in the world;

- (b) The first decision to allocate special drawing rights shall take into account, as special considerations, a collective judgment that there is a global need to supplement reserves, and the attainment of a better balance of payments equilibrium, as well as the likelihood of a better working of the adjustment process in the future.

Section 2

Allocation and cancellation:

- (a) Decisions of the Fund to allocate or cancel special drawing rights shall be made for basic periods which shall run consecutively and shall be 5 years in duration. The first basic period shall begin on the date of the first decision to allocate special drawing rights or such later date as may be specified in that decision. Any allocations or cancellations shall take place at yearly intervals;
- (b) The rates at which allocations are to be made shall be expressed as percentages of quotas on the date of each decision to allocate. The rates at which special drawing rights are to be cancelled shall be expressed as percentages of net cumulative allocations of special drawing rights on the date of each decision to cancel. The percentages shall be the same for all participants;
- (c) In its decision for any basic period the Fund may provide, notwithstanding (a) and (b) above, that:
- (i) The duration of the basic period shall be other than 5 years; or
 - (ii) The allocations or cancellations shall take place at other than yearly intervals; or
 - (iii) The basis for allocations or cancellations shall be the quotas or net cumulative allocations on dates other than the dates of decisions to allocate or cancel.
- (d) A member that becomes a participant after a basic period starts shall receive allocations beginning with the next basic period in which allocations are made after it becomes a participant unless the fund decides that the new participant shall start to receive allocations beginning with the next allocation after it becomes a participant. If the Fund decides that a member that becomes a participant during a basic period shall receive allocations during the remainder of that basic period and the participant was not a member on the dates established under (b) or (c) above, the Fund shall determine the basis on which these allocations to the

- participant shall be made;
- (e) A participant shall receive allocations of special drawing rights made pursuant to any decision to allocate unless:
 - (i) The governor for the participant did not vote in favour of the decision; and
 - (ii) The participant has notified the Fund in writing prior to the first allocation of special drawing rights under that decision that it does not wish special drawing rights to be allocated to it under the decision. On the request of a participant, the Fund may decide to terminate the effect of the notice with respect to allocations of special drawing rights subsequent to the termination.
 - (f) If on the effective date of any cancellation the amount of special drawing rights held by a participant is less than its share of the special drawing rights that are to be cancelled, the participant shall eliminate its negative balance as promptly as its gross reserve position permits and shall remain in consultation with the Fund for this purpose. Special drawing rights acquired by the participant after the effective date of the cancellation shall be applied against its negative balance and cancelled.

Section 3 **Unexpected major developments**

The Fund may change the rates or intervals of allocation or cancellation during the rest of a basic period or change the length of a basic period or start a new basic period, if at any time the Fund finds it desirable to do so because of unexpected major developments.

Section 4 **Decisions on allocations and cancellations:**

- (a) Decisions under section 2(a), (b), and (c) or section (3) of this Article shall be made by the Board of Governors on the basis of proposals of the Managing Director concurred in by the Executive Directors;
- (b) Before making any proposal the Managing Director, after having satisfied himself that it will be consistent with the provisions of section 1(a) of this Article, shall conduct such consultations as will enable him to ascertain that there is broad support among participants for the proposal. In addition, before making a proposal for the first allocation, the Managing director shall satisfy himself that the provisions of section 1(b) of this Article have been met and that there is broad support among participants to begin allocations; he shall make a proposal for the first allocation as soon after the establishment of the Special Drawing

46 *International Finance Agreements Act 1971*

Account as he is so satisfied;

- (c) The Managing Director shall make proposals:
- (i) Not later than 6 months before the end of each basic period;
 - (ii) If no decision has been taken with respect to allocation or cancellation for a basic period, whenever he is satisfied that the provisions of (b) above have been met;
 - (iii) When, in accordance with section 3 of this Article, he considers that it would be desirable to change the rate or intervals of allocation or cancellation or change the length of a basic period or start a new basic period; or
 - (iv) Within 6 months of a request by the Board of Governors or the Executive Directors,

PROVIDED THAT, if under (i), (iii), or (iv) above the Managing Director ascertains that there is no proposal which he considers to be consistent with the provisions of section 1 of this Article that has broad support among participants in accordance with (b) above, he shall report to the Board of Governors and to the Executive Directors.

- (d) A majority of 85 percent of the total voting power shall be required for decisions under section 2(a), (b) and (c) or section 3 of this Article except for decisions under section 3 with respect to a decrease in the rates of allocation.

ARTICLE XXV
**OPERATIONS AND TRANSACTIONS IN SPECIAL
DRAWING RIGHTS**

Section 1
Use of special drawing rights

Special drawing rights may be used in the operations and transactions authorised by or under this Agreement.

Section 2
Transactions between participants:

- (a) A participant shall be entitled to use its special drawing rights to obtain an equivalent amount of currency from a participant designated under section 5 of this Article;
- (b) A participant, in agreement with another participant, may use its special drawing rights:
 - (i) To obtain an equivalent amount of its own currency held by the other participant; or
 - (ii) To obtain an equivalent amount of currency from the other participant in any transactions, prescribed

by the Fund, that would promote reconstitution by the other participant under section 6(a) of this Article; prevent or reduce negative balance of the other participant offset the effect of a failure by the other participant to fulfil the expectation in section 3(a) of this article or bring the holdings of special drawing rights by both participants closer to their net cumulative allocations. The Fund by an 85 percent majority of the total voting power may prescribe additional transactions or categories of transactions under this provision. Any transactions or categories of transaction prescribed by the Fund under this subsection (b)(ii) shall be consistent with the other provisions of this Agreement and with the proper use of special drawing rights in accordance with this Agreement;

- (c) A participant that provides currency to a participant using special drawing rights shall receive an equivalent amount of special drawing rights.

Section 3
Requirement of need:

- (a) In transactions under section 2 of this Article, except as otherwise provided in (c) below, a participant will be expected to use its special drawing rights only to meet balance of payments needs or in the light of developments in its official holdings of gold, foreign exchange, and special drawing rights, and its reserve position in the Fund, and not for the sole purpose of changing the composition of the foregoing as between special drawing rights and the total of gold, foreign exchange, and reserve position in the Fund;
- (b) The use of special drawing rights shall not be subject to challenge on the basis of the expectation in (a) above, but the Fund may make representations to a participant that fails to fulfil this expectation. A participant that persists in failing to fulfil this expectation shall be subject to Article XXIX, section 2(b);
- (c) Participants may use special drawing rights without fulfilling the expectation in (a) above to obtain an equivalent amount of currency from another participant in any transactions, prescribed by the Fund, that would promote reconstitution by the other participant under section 6(a) of this Article; prevent or reduce a negative balance of the other participant; offset the effect of a failure by the other participant to fulfil the expectation in (a) above; or bring the holdings of special drawing rights by both participants closer to their net cumulative allocations.

Section 4**Obligation to provide currency**

A participant designated by the Fund under section 5 of this Article shall provide on demand currency convertible in fact to a participant using special drawing rights under section 2(a) of this Article. A participant's obligation to provide currency shall not extend beyond the point at which its holdings of special drawing rights in excess of its net cumulative allocation are equal to twice its net cumulative allocation or such higher limit as may be agreed between a participant and the Fund. A participant may provide currency in excess of the obligatory limit or any agreed higher limit.

Section 5**Designation of participants to provide currency:**

- (a) The Fund shall ensure that a participant will be able to use its special drawing rights by designating participants to provide currency for specified amounts of special drawing rights for the purposes of sections 2(a) and 4 of this Article. Designations shall be made in accordance with the following general principles supplemented by such other principles as the Fund may adopt from time to time:
- (i) A participant shall be subject to designation if its balance of payments and gross reserve position is sufficiently strong, but this will not preclude the possibility that a participant with a strong reserve position will be designated even though it has a moderate balance for payments deficit. Participants shall be designated in such manner as will promote over time a balance distribution of holdings of special drawing rights among them;
 - (ii) Participants shall be subject to designation in order to promote reconstitution under section 6(a) of this Article; to reduce negative balances in holdings of special drawing rights; or to offset the effect of failures to fulfil the expectation in section 3(a) of this Article;
 - (iii) In designating participants the fund normally shall give priority to those that need to acquire special drawing rights to meet the objectives of designation under (ii) above.
- (b) In order to promote over time a balanced distribution of holdings of special drawing rights under (a)(i) above, the Fund shall apply the rules for designation in Schedule F or such rules as may be adopted under (c) below;

- (c) The rules for designation shall be reviewed before the end of the first and each subsequent basic period and the Fund may adopt new rules as the result of a review. Unless new rules are adopted, the rules in force at the time of the review shall continue to apply.

**Section 6
Reconstitution**

- (a) Participants that use their special drawing rights shall reconstitute their holdings of them in accordance with the rules for reconstitution in Schedule G or such rules as may be adopted under (b) below;
- (b) The rules for reconstitution shall be reviewed before the end of the first and each subsequent basic period and new rules shall be adopted if necessary. Unless new rules are adopted or a decision is made to abrogate rules for reconstitution, the rules in force at the time of the review shall continue to apply. An 85 percent majority of the total voting power shall be required for decisions to adopt, modify, or abrogate the rules for reconstitution.

Section 7

Operations and transaction through the General Account:

- (a) Special drawing rights shall be included in a member's monetary reserves under Article XIX for the purposes of Article III, section 4(a), Article V, section 7(b) and (c), Article V, section 8(f), and Schedule B, paragraph 1. The Fund may decide that in calculating monetary reserves and the increase in monetary reserves during any year for the purpose of Article V, section 7(b) and (c), no account shall be taken of any increase or decrease in those monetary reserves which is due to allocations or cancellations of special drawing rights during the year;
- (b) The Fund shall accept special drawing rights:
 - (i) In repurchases accruing in special drawing rights under Article V, section 7 (b); and
 - (ii) In reimbursement pursuant to Article XXVI, section 4.
- (c) The Fund may accept special drawing rights to the extent it may decide:

 - (ii) In repurchases other than those under Article V, section 7(b), in proportions which, as far as feasible, shall be the same for all members.
- (d) The Fund, if it deems such action appropriate to replenish its holdings of a participant's currency and after consultation with that participant on alternative ways of replenishment under

50 *International Finance Agreements Act 1971*

- Article VII, section 2, may require that participant to provide its currency for special drawing rights held in the General Account subject to section 4 of this Article. In replenishing with special drawing rights, the Fund shall pay due regard to the principles of designation under section 5 of this Article;
- (e) To the extent that a participant may receive special drawing rights in a transaction prescribed by the Fund to promote reconstitution by it under section 6(a) of this Article, prevent or reduce a negative balance, or offset the effect of a failure by it to fulfil the expectation in section 3(a) of this Article, the Fund may provide the participant with special drawing rights held in the General Account for gold or currency acceptable to the Fund;
 - (f) In any of the other operations and transactions of the Fund with a participant conducted through the General Account the fund may use special drawing rights by agreement with the participant;
 - (g) The Fund may levy reasonable charges uniform for all participants in connection with operations and transactions under this section.

Section 8
Exchange rates:

- (a) The exchange rates for operations or transactions between participants shall be such that a participant using special drawing rights shall receive the same value whatever currencies might be provided and whichever participants provide those currencies, and the Fund shall adopt regulations to give effect to this principle;
- (b) The Fund shall consult a participant on the procedure for determining rates of exchange for its currency;
- (c) For the purpose of this provision the term participant includes a terminating participant.

ARTICLE XXVI
SPECIAL DRAWING ACCOUNT INTEREST
AND CHARGES

Interest at the same rate for all holders shall be paid by the Fund to each holder on the amount of its holdings of special drawing rights. The Fund shall pay the amount due to each holder whether or not sufficient charges are received to meet the payment of interest.

**Section 2

**Section 3
Rate of interest and charges**

The rate of interest shall be equal to the rate of charges and shall be one and one-half percent per annum. The Fund in its discretion may increase or reduce this rate, but the rate shall not be greater than 2 percent or the rate of remuneration decided under Article V, section 9, whichever is higher, or smaller than one percent or the rate of remuneration decided under Article V, section 9, whichever is lower.

**Section 4
Assessments**

When it is decided under Article XXII, section 2, that reimbursement shall be made, the Fund shall levy assessments for this purpose at the same rate for all participants on their net cumulative allocations.

**Section 5
Payment of interest, charges, and assessment**

Interest, charges, and assessments shall be paid in special drawing rights. A participant that needs special drawing rights to pay any charge or assessment shall be obligated and entitled to obtain them, at its option for gold or currency acceptable to the Fund, in a transaction with the Fund conducted through the General Account. If sufficient special drawing rights cannot be obtained in this way, the participant shall be obligated and entitled to obtain them with currency convertible in fact from a participant which the Fund shall specify. Special drawing rights acquired by a participant after the date for payment shall be applied against its unpaid charges and cancelled.

**ARTICLE XXVII
ADMINISTRATION OF THE GENERAL ACCOUNT
AND THE SPECIAL DRAWING ACCOUNT**

- (a) The General Account and the Special Drawing Account shall be

International Finance Agreements Act 1971

administered in accordance with the provisions of Article XII, subject to the following:

Only the presence of directors appointed or elected by members that are participants and the votes allotted to members that are participants shall be counted for the purpose of determining whether a quorum exists or whether a decision is made by the required majority;
- (iv) Questions of the general administration of the Fund, including reimbursement under Article XXII, section 2, and any question whether a matter pertains to both Accounts or exclusively to the Special Drawing Account shall be decided as if they pertained exclusively to the General Account. Decisions with respect to the acceptance and holding of special drawing rights in the General Account and the use of them, and other decisions affecting the operations and transactions conducted through both the General Account and the Special Drawing Account shall be made by the majorities required for decisions on matters pertaining exclusively to each Account. A decision on a matter pertaining to the Special Drawing Account shall so indicate.

- (b) In addition to the privileges and immunities that are accorded under Article IX of this Agreement, no tax of any kind shall be levied on special drawing rights or on operations or transactions in special drawing rights;

- (d) Whenever a disagreement arises between the Fund and a participant that has terminated its participation in the Special Drawing Account or between the Fund and any participant during the liquidation of the Special Drawing Account with respect to any matter arising exclusively from participation in the Special Drawing Account, the disagreement shall be submitted to arbitration in accordance with the procedures in Article XVIII (c).

ARTICLE XXVIII

GENERAL OBLIGATIONS OF PARTICIPANTS

In addition to the obligations assumed with respect to special drawing rights under other Articles of this Agreement, each participant undertakes to collaborate with the Fund and with other participants in order to facilitate the effective functioning of the Special Drawing Account and the proper use of special drawing rights in accordance with this Agreement.

Whenever the participant is thus informed of a complaint relating to (a) above, it shall not use special drawing rights pending the disposition of the complaint;
- (d) Suspension under (a) or (b) above or limitation under (c) above shall not affect a participant's obligation to provide currency in accordance with Article XXV, section 4;

- (f) The right of a participant to use its special drawing rights shall not be suspended because it has become ineligible to use the Fund's resources under Article IV, section 6, Article V, section 5, Article VI, section 1, or Article XV, section 2(a). Article XV, section 2, shall not apply because a participant has failed to fulfill any obligations with respect to special drawing rights.

ARTICLE XXX

TERMINATION OF PARTICIPATION

Section 1

Rights to terminate participant:

- (a) Any participant may terminate its participation in the Special Drawing Account at any time by transmitting a notice in writing to the Fund at its principal office. Termination shall become effective on the date the notice is received;
- (b) A participant that withdraws from membership in the Fund shall be deemed to have simultaneously terminated its participation in the Special Drawing Account.

Section 2
Settlement on termination:

- (a) When a participant terminates its participation in the Special Drawing Account, all operations and transactions by the terminating participant in special drawing rights shall cease except as otherwise permitted under an agreement made pursuant to (c) below in order to facilitate a settlement or as provided in sections 3, 5, and 6 of this Article or in Schedule H. - (b) The Fund shall be obligated to redeem all special drawing rights held by the terminating participant, and the terminating participant shall be obligated to pay to the Fund an amount equal to its net cumulative allocation and any other amounts that may be due and payable because of its participation in the Special Drawing Account. These obligations shall be set off against each other and the amount of special drawing rights held by the terminating participant that is used in the setoff to extinguish its obligation to the Fund shall be cancelled;
- (c) A settlement shall be made with reasonable dispatch by agreement between the terminating participant and the Fund with respect to any obligation of the terminating participant or the Fund after the setoff in (b) above. If agreement on a settlement is not reached promptly the provisions of Schedule H shall apply.

Section 4

Gold or currency received by the Fund from a terminating participant shall be used by the Fund to redeem special drawing rights held by participants in proportion to the amount by which each participant's holdings of special drawing rights exceed its net cumulative allocation at the time the gold or currency is received by the Fund. Special drawing rights so redeemed and special drawing rights obtain by a terminating participant under the provisions of this Agreement to meet any instalment due under an agreement on settlement or under Schedule H and set off against that instalment shall be cancelled.

However, a terminating participant may use its special drawing rights to obtain its own currency, currency convertible in fact, or gold from any holder, if the Fund so permits.

Section 6

In order to facilitate settlement with a terminating participant the fund may decide that a terminating participant shall:

- (i) Use any special drawing rights held by it after the set off in section 2(b) of this Article, when they are to be redeemed, in a transaction with the Fund conducted through the General Account to obtain its own currency or currency convertible in fact at the option of the Fund; or
- (ii) Obtain special drawing rights in a transaction with the Fund conducted through the General Account for a currency acceptable to the Fund or gold to meet any charges or instalment due under an agreement or the provision of Schedule H.

SCHEDULE B

PROVISIONS WITH RESPECT TO REPURCHASE BY A MEMBER OF ITS CURRENCY HELD BY THE FUND

1. In determining the extent to which repurchase of a member's currency from the Fund under Article V, section 7(b), shall be made with each convertible currency and each of the other types of monetary reserve, the following rule, subject to 2 below, shall apply:

- (a) If the member's monetary reserves have not increased during the year, the amount payable to the Fund shall be distributed among all types of reserves in proportion to the member's holdings thereof at the end of the year;
- (b) If the member's monetary reserves have increased during the year, a part of the amount payable to the Fund equal to one-half of the increase, minus one-half of any decrease in the fund's holdings of the member's currency that has occurred during the year, shall be distributed among those types of reserves which have increased in proportion to the amount by which each of them has increased. The remainder of the sum payable to the Fund shall be distributed among all types of reserves in proportion to the member's remaining holdings thereof;
- (c) If after the repurchases required under Article V, section 7(b), had been made, the result would exceed either of the limits specified in Article V, section 7(c)(i) or (ii), the Fund shall require such repurchases to be made by the member proportionately in such manner that those limits will not be exceeded;
- (d) If after all the repurchases required under Article V, section 7(b), had been made, the result would exceed the limit specified in Article V, section 7(c)(iii), the amount by which the limit would be exceeded shall be discharged in convertible currencies as determined by the Fund without exceeding that limit;
- (e) If a repurchase required under Article V, section 7(b), would

exceed the limit specified in Article V, section 7(c)(iv), the amount by which the limit would be exceeded shall be repurchased at the end of the subsequent financial year or years in such a way that total repurchases under Article V, section 7(b), in any year would not exceed the limit specified in Article V, section 7(c)(iv).

- 2.(a) The Fund shall not acquire the currency of any non-member under Article V, section 7(b) and (c);
- (b) Any amount payable in the currency of a non-member under 1(a) or 1(b) above shall be paid in the convertible currencies of members as determined by the Fund.

3. In calculating monetary reserves and the increase in monetary reserves during any year for the purpose of Article V, section 7(b) and (c), no account shall be taken unless deductions have otherwise been made by the member for such holdings, of any increase in those monetary reserves which is due to currency previously inconvertible having become convertible during the year; or to holdings which are the proceeds of a long-term or medium-term loan contracted during the year; or to holdings which have been transferred or set aside for repayment of a loan during the subsequent year.

4. In the case of members whose metropolitan territories have been occupied by the enemy, gold newly produced during the 5 years after the entry into force of this Agreement from mines located within their metropolitan territories shall not be included in computations of their monetary reserves or of increases in their monetary reserves.

5. In calculating monetary reserves and the increase in monetary reserves during any year for the purpose of Article V, section 7(b) and (c), the Fund may decide in its discretion, on the request of a member, that deductions shall be made for obligations outstanding as the result of transactions between members under a reciprocal facility by which a member agrees to exchange on demand its currency for the currency of the other member up to a maximum amount and on terms requiring that such transaction be reversed within a specified period not in excess of 9 months.

6. In calculating monetary reserves and the increase in monetary reserves for the purpose of Article V, section 7(b) and (c), Article XIX (e) shall apply except that the following provision shall apply at the end of a financial year if it was in effect at the beginning of that year:

"A member's monetary reserves shall be calculated

by deducting from its central holdings the currency liabilities to the Treasuries, central banks, stabilization funds, or similar fiscal agencies of other members or non-members specified under (d) above, together with similar liabilities to other official institutions and other banks in the territories of members, or non-members specified under (d) above. To these net holdings shall be added the sums deemed to be official holdings of other official institutions and other banks under (c) above."

SCHEDULE C

ELECTION OF EXECUTIVE DIRECTORS

1. The election of the elective executive directors shall be by ballot of the governors eligible to vote under Article XII, section 3(b)(iii) and (iv).

2. In balloting for the 5 directors to be elected under Article XII, section 3(b)(iii), each of the governors eligible to vote shall cast for one person all of the votes to which he is entitled under Article XII, section 5(a). The 5 persons receiving the greatest number of votes shall be directors, provided that no person who received less than 19 percent of the total number of votes that can be cast (eligible votes) shall be considered elected.

3. When 5 persons are not elected in the first ballot a second ballot shall be held in which the person who received the lowest number of votes shall be ineligible for election and in which there shall vote only (a) those governors who voted in the first ballot for a person not elected, and (b) those governors whose votes for a person elected are deemed under 4 below to have raised the votes cast for that person above 20 percent of the eligible votes.

4. In determining whether the votes cast by a governor are to be deemed to have raised the total of any person above 20 percent of the eligible votes the 20 percent shall be deemed to include, first, the votes of the governor casting the largest number of votes for such person, then the votes of the governor casting the next largest number, and so on until 20 percent is reached.

5. Any governor part of whose votes must be counted in order to raise the total of any person above 19 percent shall be considered as casting all of his votes for such person even if the total votes for such

person thereby exceed 20 percent.

6. If, after the second ballot, 5 persons have not been elected, further ballots shall be held on the same principles until 5 persons have been elected, provided that after 4 persons are elected, the fifth may be elected by a simple majority of the remaining votes and shall be deemed to have been elected by all such votes.

7. The directors to be elected by the American Republics under Article XII, section 3(b)(iv) shall be elected as follows:

- (a) Each of the directors shall be elected separately;
- (b) In the election of the first directors, each governor representing an American Republic eligible to participate in the election shall cast for one person all the votes to which he is entitled. The person receiving the largest number of votes shall be elected provided that he has received not less than 45 percent of the total votes;
- (c) If no person is elected on the first ballot, further ballots shall be held, in each of which the person receiving the lowest number of votes shall be eliminated, until one person receives a number of votes sufficient for election under (b) above;
- (d) Governors whose votes contributed to the election of the first director shall take no part in the election of the second director;
- (e) Persons who did not succeed in the first election shall not be ineligible for election as the second director;
- (f) A majority of the votes which can be cast shall be required for election of the second director. If at the first ballot no person receives a majority, further ballots shall be held in each of which the person receiving the lowest number of votes shall be eliminated, until some person obtains a majority;
- (g) The second director shall be deemed to have been elected by all the votes which could have been cast in the ballot securing his election.

SCHEDULE D

SETTLEMENT OF ACCOUNTS WITH MEMBERS WITHDRAWING

1. The Fund shall be obligated to pay to a member withdrawing an amount equal to its quota, plus any other amounts due to it from the Fund, less any amounts due to the Fund, including charges accruing after the date of withdrawal; but no payment shall be made until 6 months after the date of withdrawal. Payments shall be made in the

currency of the withdrawing member.

2 If the Fund's holdings of the currency of the withdrawing member are not sufficient to pay the net amount due from the Fund, the balance shall be paid in gold, or in such other manner as may be agreed. If the Fund and the withdrawing member do not reach agreement within 6 months of the date of withdrawal, the currency in question held by the Fund shall be paid forthwith to the withdrawing member. Any balance due shall be paid in 10 half-yearly instalments during the ensuing 5 years. Each such instalment shall be paid, at the option of the Fund, either in the currency of the withdrawing member acquired after its withdrawal or by the delivery of gold.

3. If the Fund fails to meet any instalment which is due in accordance with the preceding paragraphs, the withdrawing member shall be entitled to require the Fund to pay the instalment in any currency held by the Fund with the exception of any currency which has been declared scarce under Article VII, section 3.

4. If the Fund's holding of the currency of a withdrawing member exceed the amount due to it, and if agreement on the method of settling accounts is not reached within 6 months of the date of withdrawal, the former member shall be obligated to redeem such excess currency in gold or, at its option, in the currencies of members which at the time of redemption are convertible. Redemption shall be made at the parity existing at the time of withdrawal from the Fund. The withdrawing member shall complete redemption within 5 years of the date of withdrawal, or within such longer period as may be fixed by the Fund, but shall not be required to redeem in any half-yearly period more than one-tenth of the Fund's excess holdings of its currency at the date of withdrawal plus further acquisitions of the currency during such half-yearly period. If the withdrawing member does not fulfill this obligation, the Fund may in an orderly manner liquidate in any market the amount of currency which should have been redeemed.

5. Any member desiring to obtain the currency of a member which has withdrawn shall acquire it by purchase from the Fund, to the extent that such member has access to the resources of the Fund and that such currency is available under 4 above.

6. The withdrawing member guarantees the unrestricted use at all times of the currency disposed of under 4 and 5 above for the purchase of goods or for payment of sums due to it or to persons within its territories. It shall compensate the Fund for any loss resulting from the difference between the par value of this currency on the date of

withdrawal and the value realised by the Fund on disposal under 4 and 5 above.

7. In the event of the fund going into liquidation under Article XVI, section 2, within 6 months of the date on which the member withdraws, the account between the Fund and that government shall be settled in accordance with Article XVI, section 2, and Schedule E.

SCHEDULE E

ADMINISTRATION OF LIQUIDATION

1. In the event of liquidation the liabilities of the Fund other than the repayment of subscriptions shall have priority in the distribution of the assets of the Fund. In meeting each such liability the Fund shall use its assets in the following order:

- (a) The currency in which the liability is payable;
- (b) Gold;
- (c) All other currencies in proportion, so far as may be practicable, to the quotas of the members.

2. After the discharge of the Fund's liabilities in accordance with 1 above, the balance of the Fund's assets shall be distributed and apportioned as follows:

- (a) The Fund shall distribute its holdings of gold among the members whose currencies are held by the Fund in amounts less than their quotas. These members shall share the gold so distributed in the proportions of the amounts by which their quotas exceed the Fund's holdings of their currencies;
- (b) The Fund shall distribute to each member one-half the Fund's holdings of its currency but such distribution shall not exceed 50 percent of its quota;
- (c) The Fund shall apportion the remainder of its holdings of each currency among all the members in proportion to the amounts due to each member after the distributions under (a) and (b) above.

3. Each member shall redeem the holdings of its currency apportioned to other members under 2(c) above, and shall agree with the Fund within 3 months after a decision to liquidate upon an orderly procedure for such redemption.

4. If a member has not reached agreement with the Fund within the 3 month period referred to in 3 above, the Fund shall use the

66 *International Finance Agreements Act 1971*

currencies of other members apportioned to that member under 2(c) above to redeem the currency of that member apportioned to other members. Each currency apportioned to a member which has not reached agreement shall be used, so far as possible, to redeem its currency apportioned to the members which have made agreements with the Fund under 3 above.

5. If a member has reached agreement with the Fund in accordance with 3 above, the Fund shall use the currencies of other members apportioned to that member under 2(c) above to redeem the currency of that member apportioned to other members which have made agreements with the Fund under 3 above. Each amount so redeemed shall be redeemed in the currency of the member to which it was apportioned.

6. After carrying out the preceding paragraphs, the Fund shall pay to each member the remaining currencies held for its account.

7. Each member whose currency has been distributed to other members under 6 above shall redeem such currency in gold or, at its option, in the currency of the member requesting redemption, or in such other manner as may be agreed between them. If the members involved do not otherwise agree the member obligated to redeem shall complete redemption within 5 years of the date of distribution, but shall not be required to redeem in any half-yearly period more than one-tenth of the amount distributed to each other member. If the member does not fulfill this obligation, the amount of currency which should have been redeemed may be liquidated in an orderly manner in any market.

8. Each member whose currency has been distributed to other members under 6 above guarantees the unrestricted use of such currency at all times for the purchase of goods or for payment of sums due to it or to persons in its territories. Each member so obligated agrees to compensate other members for any loss resulting from the difference between the par value of its currency on the date of the decision to liquidate the Fund and the value realised by such members on disposal of its currency.

SCHEDULE F

DESIGNATION

During the first basic period the rules for designation shall be as follows:

- (a) Participants subject to designation under Article XXV, section 5(a)(i), shall be designated for such amounts as will promote overtime equality in the ratios of the participants' holdings of

- special drawing rights in excess of their net cumulative allocations to their official holdings of gold and foreign exchange;
- (b) The formula to give effect to (a) above shall be such that participants subject to designation shall be designated:
- (i) In proportion to their official holdings of gold and foreign exchange when the ratios described in (a) above are equal; and
 - (ii) In such manner as gradually to reduce the difference between the ratios described in (a) above that are low and the ratios that are high.

SCHEDULE G

RECONSTITUTION

- 1.** During the first basic period the rules for reconstitution shall be as follows:
- (a) (i) A participant shall so use and reconstitute its holdings of special drawing rights that, 5 years after the first allocation and at the end of each calendar quarter thereafter, the average of its total daily holdings of special drawing rights over the most recent 5 year period will be not less than 30 percent of the average of its daily net cumulative allocation of special drawing rights over the same period;
- (ii) Two years after the first allocation and at the end of each calendar month thereafter the Fund shall make calculations for each participant so as to ascertain whether and to what extent the participant would need to acquire special drawing rights between the date of the calculation and the end of any 5 year period in order to comply with the requirement in (a)(i) above. The Fund shall adopt regulations with respect to the bases on which these calculations shall be made and with respect to the timing of the designation of participants under Article XXV, section 5(a)(ii), in order to assist them to comply with the requirement in (a)(i) above;
- (iii) The Fund shall give special notice to a participant when the calculations under (a)(ii) above indicate that it is unlikely that the participant will be able to comply with the requirement in (a)(i) above unless it ceases to use special drawing rights for the rest of the period for which the calculation was made under (a)(ii) above;

International Finance Agreements Act 1971

- (iv) A participant that needs to acquire special drawing rights to fulfill this obligation shall be obligated and entitled to obtain them, at its option for gold or currency acceptable to the Fund, in a transaction with the Fund conducted through the General Account. If sufficient special drawing rights to fulfill this obligation cannot be obtained in this way, the participant shall be obligated and entitled to obtain them with currency convertible in fact from a participant which the Fund shall specify.
- (d) Participants shall also pay due regard to the desirability to pursuing over time a balanced relationship between their holdings of special drawing rights and their holdings of gold and foreign exchange and their reserve positions in the Fund.

2. If a participant fails to comply with the rules for reconstitution, the Fund shall determine whether or not the circumstances justify suspension under Article XXIX, section 2(b).

SCHEDULE H**TERMINATION OF PARTICIPATION**

1. If the obligation remaining after the set-off under Article XXX, section 2(b), is to the terminating participant and agreement on settlement between the Fund and the terminating participant is not reached within 6 months of the date of termination the Fund shall redeem this balance of special drawing rights in equal half-yearly instalments within a maximum of 5 years of the date of termination. The Fund shall redeem this balance as it may determine, either (a) by the payment to the termination participant of the amounts provided by the remaining participants to the Fund in accordance with Article XXX, section 5, or (b) by permitting the terminating participant to use its special drawing rights to obtain its own currency or currency convertible in fact from a participant specified by the Fund, the General Account, or any other holder.

2. If the obligation remaining after the set-off under Article XXX, section 2(b), is to the Fund and agreement on settlement is not reached within 6 months of the date of termination, the terminating participant shall discharge this obligation in equal half-yearly instalments within 3 years of the date of termination or within such longer period as may be fixed by the Fund. The terminating participant shall discharge this obligation, as the Fund may determine, either:

- (a) By the payment to the Fund of currency convertible in fact or

- gold at the option of the terminating participant; or
- (b) By obtaining special drawing rights, in accordance with Article XXX, section 6, from the General Account or in agreement with a participant specified by the Fund or from any other holder, and the set-off of these special drawing rights against the instalment due.

3 Instalments under either 1 or 2 above shall fall due 6 months after the date of termination and at intervals of 6 months thereafter.

4. In the event of the Special Drawing Account going into liquidation under Article XXXI within 6 months of the date a participant terminates its participation, the settlement between the Fund and that government shall be made in accordance with Article XXXI and Schedule 1.

SCHEDULE I

ADMINISTRATION OF LIQUIDATION OF THE SPECIAL DRAWING ACCOUNT

1. In the event of liquidation of the Special Drawing Account, participants shall discharge their obligations to the Fund in 10 half-yearly instalments, or in such longer period as the Fund may decide is needed, in currency convertible in fact and the currencies of participants holding special drawing rights to be redeemed in any instalment to the extent of such redemption, as determined by the Fund. The first half-yearly payment shall be made 6 months after the decision to liquidate the Special Drawing Account.

2. If it is decided to liquidate the Fund within 6 months of the date of the decision to liquidate the Special Drawing Account, the liquidation of the Special Drawing Account shall not proceed until special drawing rights held in the General Account have been distributed in accordance with the following rule:

After the distribution made under 2(a) of Schedule E, the Fund shall apportion its special drawing rights held in the General Account among all members that are participants in proportion to the amounts due to each participant after the distribution under 2(a). To determine the amount due to each member for

70 *International Finance Agreements Act 1971*

the purpose of apportioning the remainder of its holdings of each currency under 2(c) of Schedule E, the Fund shall deduct the distribution of special drawing rights made under this rule.

3. With the amounts received under 1 above, the Fund shall redeem special drawing rights held by holders in the following manner and order:

- (a) Special drawing rights held by governments that have terminated their participation more than 6 months before the date the Board of Governors decides to liquidate the Special Drawing Account shall be redeemed in accordance with the terms of any agreement under Article XXX or Schedule H;
- (b) Special drawing rights held by holders that are not participants shall be redeemed before those held by participants, and shall be redeemed in proportion to the amount held by each holder;
- (c) The Fund shall determine the proportion of special drawing rights held by each participant in relation to its net cumulative allocation. The Fund shall first redeem special drawing rights from the participants with the highest proportion until this proportion is reduced to that of the second highest proportion; the Fund shall then redeem the special drawing rights held by these participants in accordance with their net cumulative allocations until the proportions are reduced to that of the third highest proportion; and this process shall be continued until the amount available for redemption is exhausted.

4. Any amount that a participant will be entitled to receive in redemption under 3 above shall be set off against any amount to be paid under 1 above.

5. During liquidation the Fund shall pay interest on the amount of special drawing rights held by holders, and each participant shall pay charges on the net cumulative allocation of special drawing rights to it less the amount of any payments made in accordance with 1 above. The rates of interest and charges and the time of payment shall be determined by the Fund. Payments of interest and charges shall be made in special drawing rights to the extent possible. A participant that does not hold sufficient special drawing rights to meet any charges shall make the payment with gold or a currency specified by the Fund. Special drawing rights received as charges in amounts needed for administrative expenses shall not be used for the payment of interest, but shall be transferred to the Fund and shall be redeemed first and with the currencies used by the Fund to meet its expenses.

6. While a participant is in default with respect to any payment required by 1 or 5 above, no amounts shall be paid to it in accordance with 2 or 5 above.

7. If after the final payments have been made to participants each participant not in default does not hold special drawing rights in the same proportion to its net cumulative allocation, those participants holding a lower proportion shall purchase from those holding a higher proportion such amounts in accordance with arrangements made by the Fund as will make the proportion of their holdings of special drawing rights the same. Each participant in default shall pay to the Fund its own currency in an amount equal to its default. The Fund shall apportion this currency and any residual claims among participants in proportion to the amount of special drawing rights held by each and these special drawing rights shall be cancelled. The Fund shall then close the books of the Special Drawing Account and all of the Fund's liabilities arising from the allocation of special drawing rights and the administration of the Special Drawing Account shall cease.

8. Each participant whose currency is distributed to other participants under this Schedule guarantees the unrestricted use of such currency at all times for the purchase of goods or for payments of sums due to it or to persons in its territories. Each participant so obligated agrees to compensate other participants for any loss resulting from the difference between the value at which the Fund distributed its currency under this Schedule and the value realised by such participants on disposal of its currency.

- (b) Whenever the par value of a member's currency is increased, the Bank shall return to such member within a reasonable time an amount of that member's currency equal to the increase in the value of the amount of such currency described in (a) above;

The Bank may guarantee, participate in, or make loans to any member or any political subdivision thereof and any business, industrial, and agricultural enterprise in the territories of a member, subject to the following conditions:

- (ii) The Bank is satisfied that in the prevailing market conditions the borrower would be unable otherwise to obtain the loan under conditions which in the opinion of the Bank are reasonable for the borrower;
- (iii) A competent committee, as provided for in Article V, section 7, has submitted a written report recommending the project after a careful study of the merits of the proposal;
- (iv) In the opinion of the Bank the rate of interest and other charges are reasonable and such rate, charges and the schedule for repayment of principal are appropriate to the project;

ARTICLE IV
OPERATIONS**Section 1****Methods of making or facilitating loans:**

- (a) The Bank may make or facilitate loans which satisfy the general conditions of Article III in any of the following ways:
 - (i) By making or participating in direct loans out of its own funds corresponding to its unimpaired paid-up capital and surplus and, subject to section 6 of this Article, to its reserves;
 - (ii) By making or participating in direct loans out of funds raised in the market of a member; or otherwise borrowed by the Bank;
 - (iii) By guaranteeing in whole or in part loans made by private investors through the usual investment channels.
- (b) The Bank may borrow funds under (a)(ii) above or guarantee loans under (a)(iii) above only with the approval of the member in whose markets the funds are raised and the member in whose currency the loan is denominated, and only if those members

agree that the proceeds may be exchanged for the currency of any other member without restriction.

Section 2

Availability and transferability of currencies:

- (a) Currencies paid into the bank under Article II, section 7(i), shall be loaned only with the approval in each case of the member whose currency is involved, provided, however, that if necessary, after the Bank's subscribed capital has been entirely called, such currencies shall, without restriction by the members whose currencies are offered, be used or exchanged for the currencies required to meet contractual payments of interest, other charges or amortization on the Bank's own borrowings, or to meet the Bank's liabilities with respect to such contractual payments on loans guaranteed by the Bank;
- (b) Currencies received by the Bank from borrowers or guarantors in payment on account of principal of direct loans made with currencies referred to in (a) above shall be exchanged for the currencies of other members or re-loaned only with the approval in each case of the members whose currencies are involved; provided, however, that if necessary, after the Bank's subscribed capital has been entirely called, such currencies shall, without restriction by the members whose currencies are offered, be used or exchanged for the currencies required to meet contractual payments of interest, other charges or amortization on the Bank's own borrowings, or to meet the Bank's liabilities with respect to such contractual payments on loans guaranteed by the Bank;
- (c) Currencies received by the Bank from borrowers or guarantors in payment on account of principal of direct loans made by the Bank under section 1(a)(ii) of this Article, shall be held and used, without restriction by the members, to make amortization payments, or to anticipate payment of or repurchase part or all of the Bank's own obligations;
- (d) All other currencies available to the Bank, including those raised in the market or otherwise borrowed under section 1(a)(ii) of this Article, those obtained by the sale of gold, those received as payments of interest and other charges for direct loans made under section 1(a)(i) and (ii), and those received as payments of commissions and other charges under section 1(a)(iii), shall be used or exchanged for other currencies or gold required in the operations of the Bank without restriction by the members whose currencies are offered;
- (e) Currencies raised in the markets of members by borrowers on loans guaranteed by the Bank under section 1(a)(iii) of this

International Finance Agreements Act 1971

Article, shall also be used or exchanged for other currencies without restriction by such members.

**Section 3
Provision of currencies for direct loans**

The following provisions shall apply to direct loans under section 1(a)(i) and (ii) of this Article:

- (a) The Bank shall furnish the borrower with such currencies of members, other than the member in whose territories the project is located, as are needed by the borrower for expenditures to be made in the territories of such other members to carry out the purposes of the loan;
- (b) The Bank may, in exceptional circumstances when local currency required for the purposes of the loan cannot be raised by the borrower on reasonable terms, provide the borrower as part of the loan with an appropriate amount of that currency;
- (c) The Bank, if the project gives rise indirectly to an increased need for foreign exchange by the member in whose territories the project is located, may in exceptional circumstances provide the borrower as part of the loan with an appropriate amount of gold or foreign exchange not in excess of the borrowers local expenditure in connection with the purposes of the loan;
- (d) The Bank may, in exceptional circumstances, at the request of a member in whose territories a portion of the loan is spent, repurchase with gold or foreign exchange a part of that member's currency thus spent but in no case shall the part so repurchased exceed the amount by which the expenditure of the loan in those territories gives rise to an increased need for foreign exchange.

**Section 4
Payment provisions for direct loans**

Loan contracts under section 1(a)(i) or (ii) of this Article shall be made in accordance with the following payment provisions:

- (a) The terms and conditions of interest and amortization payments, maturity and dates of payment of each loan shall be determined by the Bank. The Bank shall also determine the rate and any other terms and conditions of commission to be charged in connection with such loan.

In the case of loans made under section 1(a)(ii) of this Article during the first 10 years of the Bank's operations, this rate of commission shall be not less than one percent per annum and not greater than one and one-half percent per annum, and shall be charged on the outstanding portion of any such loan. At the end

of this period of 10 years, the rate of commission may be reduced by the Bank with respect both to the outstanding portions of loans already made and to future loans, if the reserves accumulated by the Bank under section 6 of this Article and out of other earnings are considered by it sufficient to justify a reduction. In the case of future loans the Bank shall also have discretion to increase the rate of commission beyond the above limit, if experience indicates that an increase is advisable.

- (b) All loan contracts shall stipulate the currency or currencies in which payments under the contract shall be made to the Bank. At the option of the borrower, however, such payments made be made in gold, or subject to the agreement of the Bank, in the currency of a member other than that prescribed in the contract:
 - (i) In the case of loans made under section 1(a)(i) of this Article, the loan contracts shall provide that payments to the Bank of interest, other charges and amortization shall be made in the currency loaned, unless the member whose currency is loaned agrees that such payments shall be made in some other specified currency or currencies. These payments, subject to the provisions of Article II, section 9(c), shall be equivalent to the value of such contractual payments at the time the loans were made, in terms of a currency specified for the purpose by the Bank by a three-fourths majority of the total voting power;
 - (ii) In the case of loans made under section 1(a)(ii) of this Article, the total amount outstanding and payable to the Bank in any, one currency shall at no time exceed the total amount of the outstanding borrowings made by the Bank under section 1(a)(ii) and payable in the same currency.
- (c) If a member suffers from an acute exchange stringency, so that the service of any loan contracted by that member or guaranteed by it or by one of its agencies cannot be provided in the stipulated manner, the member concerned may apply to the Bank for a relaxation of the conditions of payment. If the Bank is satisfied that some relaxation is in the interest of the particular member and of the operations of the Bank and of its members as a whole, it may take action under either, or both, of the following paragraphs with respect to the whole, or part, of the annual service:
 - (i) The Bank may, in its discretion, make arrangements with the member concerned to accept service payments on the loan in the member's currency for periods not to exceed 3 years upon appropriate terms regarding the use

International Finance Agreements Act 1971

- of such currency and the maintenance of its foreign exchange value; and for the repurchase of such currency on appropriate terms;
- (ii) The Bank may modify the terms of amortisation or extend the life of the loan, or both.

**Section 5
Guarantees:**

- (a) In guaranteeing a loan placed through the usual investment channels, the Bank shall charge a guarantee commission payable periodically on the amount of the loan outstanding at a rate determined by the Bank. During the first 10 years of the Bank's operations, this rate shall be not less than one percent per annum and no greater than one and one-half percent per annum. At the end of this period of 10 years, the rate of commission may be reduced by the bank with respect both to the outstanding portions of loans already guaranteed and to future loans if the reserves accumulated by the Bank under section 6 of this Article and out of other earnings are considered by it sufficient to justify a reduction. In the case of future loans the Bank shall also have discretion to increase the rate of commission beyond the above limit, if experience indicates that an increase is advisable;
- (b) Guarantee commissions shall be paid directly to the Bank by the borrower;
- (c) Guarantees by the Bank shall provide that the Bank may terminate its liability with respect to interest if, upon default by the borrower and by the guarantor, if any, the Bank offers to purchase, at par and interest accrued to a date designated in the offer, the bonds or other obligations guaranteed;
- (d) The Bank shall have power to determine any other terms and conditions of the guarantee.

**Section 6
Special reserve**

The amount of commissions received by the Bank under sections 4 and 5 of this Article shall be set aside as a special reserve, which shall be kept available for meeting liabilities of the Bank in accordance with section 7 of this Article. The special reserves shall be held in such liquid form, permitted under this Agreement, as the Executive Directors may decide.

**Section 7
Methods of meeting liabilities of the Bank in case of defaults**

In cases of default on loans made, participated in, or guaranteed by the Bank:

- (a) The Bank shall make such arrangements as may be feasible to adjust the obligations under the loans, including arrangements under or analogous to those provided in section 4(c) of this Article;
- (b) The payments in discharge of the Bank's liabilities on borrowing or guarantees under section 1(a)(ii) and (iii) of this Article shall be charged:
 - (i) First, against the special reserve provided in section 6 of this Article;
 - (ii) Then, to the extent necessary and at the discretion of the Bank, against the other reserves, surplus and capital available to the Bank.
- (c) Whenever necessary to meet contractual payments of interest, other charges or amortization on the Bank's own borrowings, or to meet the Bank's liabilities with respect to similar payments on loans guaranteed by it, the Bank may call an appropriate amount of the unpaid subscriptions of members in accordance with Article II, sections 5 and 7. Moreover if it believes that a default may be of long duration, the Bank may call an additional amount of such unpaid subscriptions not to exceed in any one year one percent of the total subscriptions of the members for the following purposes:
 - (i) To redeem prior to maturity, or otherwise discharge its liability on, all or part of the outstanding principal of any loan guaranteed by it in respect of which the debtor is in default;
 - (ii) To repurchase, or otherwise discharge its liability on, all or part of its own outstanding borrowings.

Section 8

Miscellaneous operations

In addition to the operations specified elsewhere in this Agreement, the Bank shall have the power:

- (i) To buy and sell securities it has issued and to buy and sell securities which it has guaranteed or in which it has invested, provided that the Bank shall obtain the approval of the member in whose territories the securities are to be bought or sold;
- (ii) To guarantee securities in which it has invested for the purpose of facilitating their sale;
- (iii) To borrow the currency of any member with the approval of that member;
- (iv) To buy and sell such other securities as the Directors by a three-

In exercising the powers conferred by this section, the Bank may deal with any person, partnership, association, corporation or other legal entity in the territories of any members.

Section 9

Warning to be placed on securities

Every security guaranteed or issued by the Bank shall bear on its face a conspicuous statement to the effect that it is not an obligation of any government unless expressly stated on the security.

Section 10

Political activity prohibited

The Bank and its officers shall not interfere in the political affairs of any member; nor shall they be influenced in their decisions by the political character of the member or members concerned. Only economic considerations shall be relevant to their decisions, and these considerations shall be weighed impartially in order to achieve the purposes stated in Article I.

However, all transfers of gold by the Bank shall be made with due regard to the cost of transport and anticipated requirements of the Bank. In an emergency the Executive Directors may transfer all or any part of the Bank's gold holdings to any place where they can be adequately protected.

Section 12

If a member fails to fulfill any of the obligations to the Bank, the Bank may suspend its membership by decision of a majority of the Governors, exercising a majority of the total voting power. The member so suspended shall automatically cease to be a member one year from the date of its suspension unless a decision is taken by the same majority to restore the member to good standing.

While under suspension, a member shall not be entitled to exercise any rights under this Agreement, except the right of withdrawal, but shall remain subject to all obligations.

Section 3

Cessation of membership in International Monetary Fund

Any member which ceases to be a member of the International Monetary Fund shall automatically cease after 3 months to be a member of the Bank unless the Bank by three-fourths of the total voting power has agreed to allow it to remain a member.

Section 4

Settlement of accounts with government ceasing to be members:

- (a) When a government ceases to be a member, it shall remain liable for its direct obligations to the Bank and for its contingent liabilities to the Bank so long as any part of the loans or guarantees contracted before it ceased to be a member are outstanding; but it shall cease to incur liabilities with respect to loans and guarantees entered into thereafter by the Bank and to share either in the income or the expenses of the Bank;
- (b) At the time a government ceases to be a member, the Bank shall arrange for the repurchase of its shares as a part of the settlement of accounts with such government in accordance with the provisions of (c) and (d) below. For this purpose the repurchase price for the shares shall be the value shown by the books of the Bank on the day the government ceases to be a member;
- (c) The payment for shares repurchased by the Bank under this section shall be governed by the following conditions:
 - (i) Any amount due to the government for its shares shall be withheld so long as the government, its central bank or any of its agencies remains liable, as borrower or guarantor, to the Bank and such amount may, at the option of the Bank, be applied on any such liability as it matures.  - (iii) Payments shall be made in the currency of the country receiving payment or at the option of the Bank in gold;
 - (iv) If losses are sustained by the Bank on any guarantees, participation, in loans, or loans which were outstanding on the date when the government ceased to be a member, and the amount of such losses exceeds the amount of the reserve provided against losses on the date when the government ceased to be a member such government shall be obligated to repay upon demand the amount by which the repurchase price of its shares would have been reduced, if the losses had been taken into account when the repurchase price was determined. In addition, the former member government shall remain liable on any call for unpaid subscriptions under Article II, section 5(ii), to the extent that it would have been required to respond if the impairment of capital had occurred and the call had been made at the time the repurchase price of its shares was determined.
- (d) If the Bank suspends permanently its operations under section 5(b) of this Article, within 6 months of the date upon which any government ceases to be a member, all rights of such government shall be determined by the provisions of section 5 of this Article.

 - (f) After a decision to make a distribution has been taken under (e) above, the Executive Directors may by a two-thirds majority vote make successive distributions of the assets of the Bank to members until all of the assets have been distributed. This distribution shall be subject to the prior settlement of all outstanding claims of the Bank against each member;
 - (g) Before any distribution of assets is made, the Executive Directors shall fix the proportionate share of each member according to the ratio of its share holding to the total outstanding shares of the Bank;
 - (h) The Executive Directors shall value the assets to be distributed as at the date of distribution and then proceed to distribute in the following manner:
 - (i) There shall be paid to each member in its own obligations or those of its official agencies or legal entities within its territories, insofar as they are available for distribution, an amount equivalent in value to its proportionate share of the total amount to be distributed;

- (a) If a member fails to fulfill any of its obligations to the Corporation, the Corporation may suspend its membership by decision of a majority of the Governors, exercising a majority of the total voting power. The member so suspended shall automatically cease to be a member one year from the date of its suspension unless a decision is taken by the same majority to restore the member to good standing;
- (b) While under suspension, a member shall not be entitled to exercise any rights under this Agreement except the right of withdrawal, but shall remain subject to all obligations.

 - (iii) If the Corporation sustains a net loss on the investments made pursuant to Article III, section 1, and held by it on the date when the government ceases to be a member, and the amount of such loss exceeds the amount of the reserves provided therefor on such date, such government shall repay on demand the amount by which the repurchase price of its shares of stock would have been reduced if such loss had been taken into account when the repurchase price was determined.
- (d) In no event shall any amount due to a government for its capital stock under this section be paid until 6 months after the date upon which the government ceases to be a member. If within 6 months of the date upon which any government ceases to be a member the Corporation suspend operations under section 5 of this Article, all rights of such government shall be determined by the provisions of such section 5 and such government shall be considered still a member of the Corporation for purposes of such section 5, except that it shall have no voting rights.

- (d) The remaining 90 percent of the initial subscription of each regional member shall be payable in gold or freely convertible currency in the case of members listed in Part I of Schedule A, and in the currency of the subscribing member in the case of members listed in Part II of Schedule A. This 90 percent portion of initial subscriptions of original members shall be payable in 5 equal annual instalments as follows: the first such instalment within 30 days after the date on which the Association shall begin operations pursuant to Article XI, section 4, or on the date on which the original member becomes a member, whichever shall be later; the second instalment one year after the beginning of operations of the association and succeeding instalments each year thereafter at annual intervals until the 90 percent portion of the initial subscription shall have been paid in full;

- (b) While under suspension, a member shall not be entitled to exercise any rights under this Agreement except the right of withdrawal, but shall remain subject to all obligations.

Section 3
Suspension or Cessation of Membership in the Bank

- (b) When a government ceases to be a member, the Association and

the Government shall proceed to a settlement of accounts. As part of such settlement of accounts, the Association and the government may agree on the amounts to be paid to the government on account of its subscription and on the time and currencies of payment. The term "subscription" when used in relation to any member government shall for the purposes of this Article be deemed to include both the initial subscription and any additional subscription of such member government;

(c) If no such agreement is reached within 6 months from the date when the government ceased to be a member, or such other time as may be agreed upon by the Association and the government, the following provisions shall apply:

(i) The government shall be relieved of any further liability to the Association on account of its subscription, except that the government shall pay to the Association forthwith amounts due and unpaid on the date when the government ceased to be a member and which in the opinion of the Association are needed by it to meet its commitments as of that date under its financing operating;

(ii) The Association shall return to the government funds paid in by the government on account of its subscription or derived therefrom as principal repayments and held by the Association on the date when the government ceased to be a member, except to the extent that in the opinion of the Association such funds will be needed by it to meet its commitments as of that date under its financing operations;

(iii) The Association shall pay over to the government a *pro rata* share of all principal repayments received by the Association after the date on which the government ceases to be a member on loans contracted prior thereto, except those made out of supplementary resources provided to the Association under arrangements specifying special liquidation rights. Such share shall be such proportion of the total principal amount of such loans as the total amount paid by the government on account of its subscription and not returned to its pursuant to clause (ii) above shall bear to the total amount paid by all members on account of their subscriptions which shall have been used or in the opinion of the Association will be needed by it to meet its commitments under its financing operations as of the date on which the government ceases to be a member. Such payment by the Association shall be made in

International Finance Agreements Act 1971

instalments when and as such principal repayments are received by the Association, but not more frequently than annually. Such instalments shall be paid in the currencies received by the Association except that the Association may in its discretion make payment in the currency of the government concerned;

- (iv) Any amount due to the government on account of its subscription may be withheld so long as that or the government of any territory included within its membership, or any political subdivision or any agency of any of the foregoing remains liable, as borrower or guarantor, to the Association, and such amount may, at the option of the Association, be applied against any such liability as it matures;
 - (v) In no event shall the government receive under this paragraph (c) an amount exceeding, in the aggregate, the lesser of the 2 following: (a) the amount paid by the government on account of its subscription, or (b) such proportion of the net assets of the Association, as shown on the books of the Association as of the date on which the government ceased to be a member, as the amount of its subscription shall bear to the aggregate amount of the subscriptions of all members;
 - (vi) All calculations required hereunder shall be made on such basis as shall be reasonably determined by the Association.
- (d) In no event shall any amount due to a government under this section be paid until 6 months after the date upon which the government ceases to be a member. After such suspension of operations the Association shall forthwith cease all activities, except those incidents to the orderly realisation, conservation and preservation of its assets and settlement of its obligations. Until final

- settlement of such obligations and distribution of such assets, the Association shall remain in existence and all mutual rights and obligations of the Association and its members under this Agreement shall continue unimpaired, except that no member shall be suspended or shall withdraw and that no distribution shall be made to members except as in this section provided;
- (b) No distribution shall be made to members on account of their subscriptions until all liabilities to creditors shall have been discharged or provided for and until the Board of Governors, by vote of a majority of the Governors exercising a majority of the total voting power, shall have decided to make such distribution;
 - (c) Subject to the foregoing, and to any special arrangements for the disposition of supplementary resources agreed upon in connection with the provision of such resources to the Association, the Association shall distribute its assets to members *pro rata* in proportion to amounts paid in by them on account of their subscriptions. Any distribution pursuant to the foregoing provision of this paragraph (c) shall be subject, in the case of any member, to prior settlement of all outstanding claims by the Association against such member. Such distribution shall be made at such times, in such currencies, and in cash or other assets as the Association shall deem fair and equitable. Distribution to the several members need not be uniform in respect of the type of assets distributed or of the currencies in which they are expressed;
